Secretary

Robert Wiley  
Treasurer

NAAS Delegate

Henry Robinson  
Historian

## Secretary's Report

### MINUTES OF THE SEVENTY-SIXTH MEETING - APRIL 1992

#### FIRST BUSINESS MEETING

28 members present

1. President Rapp called the meeting to order at 11:28 a.m. by calling attention to the available handouts (Treasurer's report and Secretary's copies of the minutes of last year's Business Meetings).
2. Rapp recognized Robert Wright, Local Arrangements Chair, to introduce Dr. Winfred Thompson, President of UCA, who extended formal welcome of the Academy to the UCA campus. Dr. Thompson referred to widespread criticism of math and science competency levels and our obligation to respond to these criticisms. He also briefly referred to their bid for the new state math and science high school.
3. Rapp recognized Henry Robison, Historian, who reported that this meeting is the fifth time on the UCA campus. Other meeting years were 1934, 1964, 1974 and 1983.
4. Rapp invited the members present to submit comments and/or corrections to the minutes of last year's business meetings.
5. Rapp recognized Robert Wiley, Treasurer, who reported on the solid financial status of the Academy. Rapp asked about profit from the 1991 meeting, but there was none because of a miscommunication with the Arkansas Science Teachers Association, who were not advised of the extent of the expenses of using the facilities at the Continuing Education Center in Fayetteville. Richard Spears asked how widespread or systematic is the distribution of copies of the *Proceedings* to abstracting services. No precise figures were forthcoming, but general consensus agreed that our journal is being broadly abstracted.

#### DISTRIBUTION OF FUNDS - as of 3 October 1992:

Union Bank and Trust Co., (Monticello, AR) Interest Bearing Account	\$1677.04
Certificates of Deposit:	
Dwight Moore Endowment	\$2045.70
Life Membership Endowment	\$9244.90
Arkansas Academy of Science Endowment	\$5527.72
Arkansas Academy of Science General 1	\$2200.00
Arkansas Academy of Science General 2	\$1300.00
<b>Total</b>	<b>\$21,995.36</b>

#### INCOME - Anticipated prior to Annual Meeting:

Interest - Checking Account (\$5.00 x 7)	\$35.00
Interest - Certificates of Deposit	\$496.99
Payment of 1992 dues - an estimate based on 1991 - (Reg. \$945; Sust. \$280; Spon. \$60; Life \$450; Assoc. \$10)	\$1745.00
Institutional Memberships (\$100.00 x 1)	\$100.00
Proceedings - Page Charges Vol 45 (\$25.00 x 30.5)	\$762.50
	<hr/>
	\$3139.49

#### EXPENSES - anticipated prior to Annual Meeting:

Newsletter (\$50.00 x 2)	\$100.00
--------------------------	----------

#### DISTRIBUTION OF FUNDS - as of 12 October 1991:

Union Bank and Trust Co., (Monticello, AR) Interest Bearing Account (Interest varies - currently 3.25%)	\$1564.40
Certificates of Deposit:	
Dwight Moore Endowment	\$1790.02
Life Membership Endowment	\$8424.18
Arkansas Academy of Science Endowment	\$5184.27
Arkansas Academy of Science General	\$4000.00
	<hr/>
<b>Total</b>	<b>\$20,962.87</b>

#### INCOME - Anticipated prior to Annual Meeting:

Interest - Checking Account (\$5.00 x 7)	\$35.00
Interest - Certificates of Deposit	\$731.72
Payment of 1991 dues - an estimate based on 1990 - (Reg. \$840; Sust. \$60; Spon. \$90; Life \$75; Assoc. \$5)	\$1070.00
Institutional Memberships (\$100.00 x 4)	\$400.00
Proceedings - Subscriptions Vol 44 (\$25.00 x 1)	\$25.00
Proceedings - Page Charges Vol. 44 (\$25.00 x 4)	\$100.00
	<hr/>
	\$2361.72

#### EXPENSES - anticipated prior to Annual Meeting:

Newsletter (\$50.00 x 2)	\$100.00
--------------------------	----------

## Arkansas Academy of Science

6. Rapp recognized Harvey Barton, Editor of the *Proceedings*, who requested attendees to pick up their copies of the journal and campus representatives return with unclaimed copies destined for that campus. Sections chairs of paper presentations also need to pick up manuscripts from the presenters if publication is desired. Barton also explained the error Phillips Litho had made by placing the 1990 Table of Contents on the cover of the 1991 journal and that an erratum sheet will be available for distribution soon. Barton also moved (2nd: R. Spears) that \$500 be appropriated for editorial consulting for the 1992 volume (#46).
7. Rapp recognized Richard Kluender, Editor of the *Newsletter*, who explained his department's support of the production of the *Newsletter* and projected that if that support declined or ceased, the approximated cost to the Academy would be \$800. He moved (2nd: J. Gaiser) that \$800 be appropriated by the Academy to support the *Newsletter* in the event that departmental support ceases.
8. Rapp reported, on behalf of the Nominations Committee, that Walt Godwin (Chemistry, UAM), James Peck (Biology, UALR), and John Peck (Biology, UCA) had been submitted as candidates for Vice President. He called for nominations from the floor. None were made at this meeting.
9. Rapp recognized Art Johnson, Chair of Constitution Committee, to present proposed revisions to the Constitution. He did and moved (2nd: H. Robison) to accept these changes.
10. Rapp recognized Tom Lynch, Chair of Science Education Committee, to distribute copies of a proposed Position Statement, prepared by members of Project ADVISE, regarding proposed science curriculum changes for K-12. They are seeking the Academy's support of this position statement. Lynch moved (2nd: H. Barton) that the Academy support this statement. Lynch also announced presentations to be done in the Science Education Section of this meeting.
11. Rapp recognized John Peck, Director of Science Talent Search, who reported on the achievements of young Arkansas scientists at the national level. One student was a semi-finalist with a project in physics; others achieved third place and honorable mention with projects in immunology and math. Peck moved (2nd: J. Wear, that the Academy appropriate \$150 to buy plaques and certificates for winners and their teachers.
12. Rapp recognized R. Wiley to read a letter from Ms. Pat Knighten, Director of the Junior Academy of Science. She expressed the need for assistance or replacement as director and issued a motion (2nd: R. Watson) for the appropriation of \$250 to support the Junior Academy.
13. Rapp also recognized the functions of the State Science Fair and the eight regional divisions. He requested that Wiley also move (2nd: R. Mehta) that the Academy appropriate \$400 to renew the Academy's support of the regional and state science fairs and send winning students to the international science and engineering fair. The appropriation will be divided equally among the eight regional science fairs. Rapp also recognized Rudy Timmerman, President of ASTA, and expressed appreciation that ASTA is meeting with us this year (second in succession). Rapp also submitted to the Secretary a tally of Junior Academy membership and activities for the past six years for possible inclusion in the minutes for information.

	1987	1988	1989	1990	1991	1992
Junior Academy	67	94	65	83	62	
Central Reg. Fair	100	100	210	221	200	156
N. Cent. Reg. Fair	150	110	94	75	70	65
N. East Reg. Fair	115	100	85	81	99	95
N. West Reg. Fair	192	174	169	140	132	120

S. Cent. Reg. Fair	150	200	150	181	164	169
S. East Reg. Fair	135	135	125	115	124	100
S. West Reg. Fair	143	116	0	71	72	41
State Science Fair	243	248	199	229	219	

14. President Rapp asked for any other items of old business or committee reports. Hearing none, he continued with new business.
15. President Rapp announced the compositions of the Auditing Committee (Stan Trauth, Chair), Awards Committee (John Peck, Chair), the Resolutions Committee (Gary Heidt, Chair).
16. Rapp recognized Robert Watson, who asked if a representative from Henderson State University was present. Receiving no response, Watson announced that HSU has invited the 1993 meeting of the Academy to their campus. The Executive Committee has accepted that invitation.
17. President Rapp announced that Pat Knighten, Director of the Junior Academy, would like to be replaced. Give any suggestions to Art Johnson (incoming President).
18. Rapp asked if a member of Sigma Xi from the Fayetteville Chapter was present to respond to a question about judging graduate student paper presentations. No response came, so the "local arrangements-awards committee" will handle all the judging.
19. Rapp recognized Robert Wright and the Local Arrangements Committee (Paul Krause, Harold Pray, David Dussourd, and Ken Freiley). Wright reported that there were no major changes in the paper sections and provided information on local eating establishments.
20. Rapp again recognized H. Barton who requested authors submit manuscripts for publication to section chairmen.
21. Rapp announced the location and time of the banquet and the banquet speaker, Lincoln Brower, whose topic will be on the life history of monarch butterflies.
22. President Rapp adjourned the first business meeting at 12:15 p.m.

## SECOND BUSINESS MEETING

President Rapp called the meeting to order at 12:04 p.m.

- Rapp asked for any additions/corrections to the minutes of last year's business meetings as distributed. Receiving none, he asked for a motion to approve (Rickett; 2nd: W. Godwin). Passed by voice vote.
- Rapp reminded the membership of the Treasurer's 5 report and explanation. R. Wiley moved (2nd: A. Johnson) the acceptance of the report. A report from the Auditing Committee (Stan Trauth and David Saugey) proved the Treasurer's records were appropriate and in order. H. Robison moved (2nd: R. Wright) the acceptance of the Auditing Committee's report. Passed. Treasurer's report was also accepted by voice vote.
- Rapp then asked the Secretary to restate the series of motions asking for financial support initially made at the first business meeting (Barton: editorial consulting for *Proceedings*, vol. 46 [\$500]; Kluender: *Newsletter* preparation [\$800]; Peck: Science Talent Search [\$150]; Wiley (for P. Knighten): Junior Academy of Science [\$250]; Wiley (for Rapp): State Science Fair Association [\$400]. K. Beadles asked for the sum (= \$2100). Beadles then moved (2nd: H. Robison) approval of these requests as a group. Passed.

## Secretary's Report

4. Rapp recognized A. Johnson to present proposed changes in the Constitution. He also asked if anyone needed (and distributed) copies of the old or the "new" Constitution. Johnson explained the changes and recognized other committee members, George Harp and John Rickett. Two minor errors (the date should be corrected and the word "operate" be reinserted into section 13.a.). The motion (made during the first business meeting) to accept the revisions passed, but in the process of voting, President Rapp pointed out that first-year members were not allowed vote on Constitutional matters, and took the opportunity to have new members identify themselves. The revised and approved Constitution is attached as Appendix A.
5. President Rapp recognized the Nominations Committee (Mustafa Hemmati, Chair, Collis Geren, and Ed Bacon). Hemmati announced again and recognized the nominees for Vice President. No nominations came from floor; K. Beadles moved (2nd: R. Wiley, that nominations cease. Passed. Regular balloting and one runoff elected James Peck to the office of Vice President. While voting progressed, President Rapp recognized life members of the Academy.
6. Rapp recognized the Resolutions Committee, and R. Spears read the resolutions composed by them (Appendix B). Spears moved (2nd: J. Guenter) acceptance. Two minor additions (Stan Trauth was also moderator for the Vertebrate Zoology Section, and Cameron Dorey for Chemistry) were made, and the resolutions were accepted.
7. Rapp recognized M. Hemmati again to announce other nominations--Robert Wiley for Treasurer and Richard Kluender for *Newsletter* Editor. Additional nominations were called; none came. Walt Godwin moved (2nd: H. Robison) that nominations for Treasurer cease and Wiley be elected by acclamation. Motion passed. Robert Watson moved (2nd: R. Spears) that nominations for *Newsletter* Editor cease and that Kluender be elected by acclamation. Motion passed.
8. President Rapp called for a representative from Henderson State University; getting no response, Rapp then deferred to Robert Watson to announce that HSU has been extended and accepted by the Executive Committee as the meeting site for 1993. Rapp also stated that invitations for the 1994 meeting site may be submitted to the Executive Committee.
9. Rapp then revisited and briefly explained and responded to some question regarding the intended content of the Position Statement developed by individuals participating in Project ADVICE (or formal approval. The motion to accept and support this document (made at the First Business Meeting) passed unanimously.
10. Rapp recognized John Peck to announce the student award winners. Jay Sims, Earth Science Department, UALR, won the Physical Science award with the paper, "Problems in the Detection and Delineation of a Contaminant Plume from a Leaking Underground Storage Tank." Brad Johnson, Biology Department, Hendrix College, won the Life Science award with the paper, "Fluorescein Angiography: An Effective Means of Assessing Retinal Vascular Pathology in Newborn Rats." Yau Kong Leong, Mechanical Engineering Department, UAF, won the graduate student award with the paper, "Thin Film Mechanical Property Measurements Using Micromachined Structures." The two undergraduate awards were designated for the first time "Dwight Moore Undergraduate Research Awards." President Rapp chose this opportunity to recognize Ms. Clementine Moore in the audience in honor of Dwight Moore's contributions to the Academy.
11. Rapp passed out a roster of individuals who are involved in restructuring science curricula in the state department. Academy members were encouraged to contact any of these persons to catch dates and times of hearings to be held.
12. President Rapp announced, at the request of M. Mazumder (UALR) to announce the availability of minority scholarships in Engineering Technology of approximately \$25,000.
13. Rapp then asked R. Wright to report on the attendance at this meeting. About 270 persons registered for this meeting.
14. Rapp asked for any other old business. R. Spears issued a plea for the Academy members (individually) to support the ten or so technical colleges in Arkansas in their growth efforts, particularly as they prepare for accreditation.
15. President Rapp asked for new business:
- Rapp reported a message from Pat Knighten, her work with the Junior Academy, and the absence of several regional directors. She would like to be replaced, and incoming President, Art Johnson, was charged with that responsibility.
  - Rapp announced that ASTA is jointly meeting with us and encouraged Academy members to stay and participate in their sessions this afternoon.
  - Rapp announced that unclaimed copies of the *Proceedings* be taken back to the various campuses and individually distributed to save mailing costs.
  - Rapp announced that Historian, H. Robison, would still like to receive memorabilia items relating to the history of the Academy for a roving display.
  - K. Beadles asked a question about the phrase "...higher order of thinking..." contained in the Position Statement. H. Barton opined that "critical thinking" was meant.
  - President Rapp called for additional new business, none.
16. Rapp expressed appreciation to the Academy, particularly individual members with whom he had worked closely. He then recognized Art Johnson as the incoming President and passed the gavel to him. Johnson presented Rapp with a plaque of appreciation.
17. President Johnson asked the membership for ideas and help for reaching groups we are not currently reaching and progressing in directions we are not currently going. He pointed out the accessibility of the Executive Committee, which usually meets again in September or, if necessary, at any time the President chooses to call a meeting.
18. President Johnson then called for any new business. Hearing none, he adjourned the meeting at 12:53 p.m.

Respectfully submitted,

John Rickett, Secretary

## APPENDIX B RESOLUTIONS

The members of the Arkansas Academy of Science express their gratitude to the University of Central Arkansas at Conway for hosting the 1992 meeting of the Arkansas Academy of Science. In particular, thanks is given to the local arrangements committee: Robert Wright, Chairman; Ken Freiley; Paul Krause; Harold Pray; David Dussourd; and numerous UCA students. Appreciation is expressed for the use of UCA's outstanding facilities, hospitality, and excellent banquet. Also, thanks is given to Lincoln Brower for his presentation on monarch butterflies.

The Academy appreciates the efforts of the various section chairpersons and recognizes the important role they played in the conduct of the meeting. To be noted are: Mark Sutherland (Biomedical); Joseph Lombardi (Invertebrate Zoology); John Choinski and Ken Freiley (Botany); Jerry Manion, Williams Taylor and Cameron Dorey (Chemistry); Dean Hirschi and Rahul Mehta (Physics, Math, Engineering, and Geology); Heather Woolverton (Physics and Geology), Stephen Addison (Science Education); John Rickett (Aquatic and Environmental Biology); Steven Runge (Microbiology and Molecular Biology); Al Karlin and Stan Trauth (Vertebrate Zoology).

The Academy expresses gratitude to the various directors of the science youth activities which are supported by the Academy: Tom Lynch (Chair, Science Education Committee); Mike Rapp (Director, Arkansas State Science Fair); Tom Palko (Director, Junior Science and

Humanities Symposium); John Peck (Science Talent Search) and Pat Knighten (Arkansas Junior Academy of Science).

The Academy is only as successful as its leadership in planning, working, and directing the various activities. To Mike Rapp (President), Art Johnson (President-Elect), George Harp (Vice President), John Rickett (Secretary), Robert Wiley (Treasurer) Robert Watson (Past President), Harvey Barton (*Proceedings* Editor) Dick Kluender (*Newsletter* Editor), and Henry Robison (Historian), the Academy expresses its profound gratitude for an excellent year. In addition, the Academy wishes to express its appreciation to all of those individuals who have contributed their time and efforts by serving on the various committees of the Academy.

Finally, the Academy congratulates all of those who presented papers, most especially the student presenters, which have provided for the success of this meeting as well as science education and research in Arkansas.
