The second business meeting was called to order by Dr. Hoffman at 9:10 A. M. Saturday, March 21. Eighteen members were present. The treasurer reported all debts paid and a balance of \$1,204.75. Institutional memberships totaling \$415 were reported for the following institutions: University of Arkansas, Arkansas College, Harding College, Ouachita Baptist College, Hendrix College, Arkansas Polytechnic Institute, and Arkansas State Teachers College. The Audit Committee (L. C. Howick and Mrs. Virginia Kirk) approved the Treasurer's report.

Following the recommendation of the Committee on the meeting place for 1960 (E. S. Amis, Jewell Moore, and Truman McEver), the invitation of Arkansas Polytechnic Institute was accepted, the meeting date to be April 1-2, 1960.

The Secretary was instructed to accept all qualified new members into the Academy. A total of 98 old and new members was reported registered for this meeting.

Dr. I. A. Wills moved that Dr. L. F. Bailey, Miss Maude Reid, and Mr. H. L. Bogan represent the Academy in the development of a State Science Fair Association under the direction of Mr. W. H. Walters of the Minnesota Mining and Manufacturing Company, Little Rock. The Academy voted \$300 to help pay travel expenses of science fair winners to the National Science Fair. In addition, the Academy awarded \$200 to the new science fair association to assist in its initial organization.

Dr. P. M. Johnston moved that the Academy establish a reserve fund equivalent to one-year's operating expenses, including publication of the Proceedings. A substitute motion proposed that the Executive Committee be directed to make a recommendation one year hence to the Academy membership concerning the establishment of such a reserve fund. The motion passed unanimously.
