- The Dream B.I.G. *HerStory* book project, funded by Women’s Giving Circle in 2016, will be going through the publishing process during April. Dream B.I.G. (Believing in Girls) is a student led mentoring and empowerment program that serves 6th -7th grade girls at J.O. Kelly Middle School in the Springdale School District. The Dream B.I.G. *HerStory* book project will result in hard-cover coffee table book featuring portraits by renowned photographer Andrew Kilgore alongside creative writing pieces from girls and mentors exploring their identities and experiences in Dream B.I.G. This project is a remarkable opportunity for our mentors and participants to use their artistic expressions and writing skills in the making of the first Dream B.I.G. book that will be a physical representation of the power of their impact.
- Razorback Food Recovery has volunteer opportunities this month! Clean Plate shifts are up on GivePulse. Clean Plate will run from Monday, April 10 through Thursday, April 20. Volunteers get a free meal at each shift and are entered in a drawing to win a prize pack!

Clean Plate is an awareness campaign to highlight just how much food on campus is going to waste. It not only increases the visibility of food waste on campus but also increases awareness of Razorback Food Recovery. For the two weeks prior to Clean Plate, Chartwells keeps track of how much waste they have, both in the kitchen and post-consumer. They also keep track of waste during Clean Plate. At the end of the two weeks, they calculate the difference in waste and donate that amount of food to the Jane B. Gearhart Full Circle Food Pantry!

Check out GivePulse to sign up for a shift!
