AGRI PARK CROSS COUNTRY COURSE

With one of the most successful cross country teams in the nation, there was a need for a permanent place for the University of Arkansas cross country squad to call home. In 1996, the Razorback Cross Country course at Agri Park was developed. Carved out of a portion of the University of Arkansas' on-campus agricultural area, hence the name Agri Park, the course provides the men's and women's cross country teams with an excellent practice and competition area.

As one of only a few permanent on-campus cross country venues in the nation, the Razorback Cross Country Course hosted its first events in 1996, serving as the site for the annual Chile Pepper Cross Country Festival

Agri Park is extremely versatile. The course is set up with a wide starting area that leads to a competition area that can be arranged to accommodate many different course lengths, including two-miles, 5,000 meters, 8,000 meters or 10,000 meters while using the same starting area and finish chute.

In 2007 the course hosted the NCAA South Central Regional Championship and it was the first time the event had been held in Fayetteville. A large hometown crowd enjoyed seeing the Razorbacks compete. The NCAA South Central Regional Championships returned to Fayetteville for the 2016 season and again brought good crowds to watch the home squad compete.

The current course configuration has three distinct areas. The open area of the starting chute is separated from the pond and Razorback Meadow by a grove of trees surrounding the former site of one of Fayetteville's old eateries, The Farmer's Daughter. Razorback Meadow is open and relatively flat. The men's 10K, snakes through three groves of trees in the Meadow. The pond section has more contour as the trail rises up along the rim of the course's water feature.

For the spectators, it is a great venue as you can watch most of the race from the hilltop near the finishing area. For the runners, the fast course can include challenges such as a constantly changing terrain ranging from an open field to a covered forest-like area and wooden steeple barriers.

More detail for the men's 8K course: the first mile mark is near the pond, the course then winds through agricultural fields and a few small groves of tree before coming to the 2 mile, the course follows the tree line down past the starting line and into the meadow where the second loop of the course begins repeating all of the first loop until the end of the meadow where a hair pin turn is made with a 100 meter sprint into the finish. The 3 mile mark is on the second loop at the top of the hill as the course turns to winds back toward the rim of the pond. The 4 mile mark at the end of the agricultural fields just before approaching a right-hand turn and the second grove of trees.

HEAD COACH CHRIS BUCKNAM

12TH SEASON NORWICH, 1978 | UNI, 1982

**John McDonnell Program of the Year ('13, '17)
NCAA Indoor Coach of the Year (2013)**

**NCAA South Central Region Honors:
XC Coach of the Year ('09-'10, '13-'18)
Indoor Coach of the Year ('09-'10, '12-'14, '16-'17)
Outdoor Coach of the Year ('09, '13, '16)**

**SEC Honors:
18-time SEC Coach of the Year
21 SEC Championships
69 Individual SEC Event Titles**

Chris Bucknam enters his 12th season as the head coach of the nationally dominant Arkansas men's cross country and track and field program. A veteran in the coaching ranks, Bucknam took the Razorback head coaching position on June 27, 2008, after a 25-year stint at Northern Iowa.

Since Assuming the head coaching position at Arkansas, Bucknam has enjoyed tremendous success on the national stage. Bucknam's guidance has led the Razorbacks to 20 top 10 finishes with his cross country squads placing in the top 10 four times, while his track and field teams have 16 top 10s with four national runner-up finishes and one national title.

Gilbert Boit led the way for Bucknam in 2018 capturing the SEC cross country title along with indoor and outdoor 5,000-meter titles en route to earning Second-Team All-American honors in Austin, Texas at the NCAA Outdoor Championships. Cameron Griffith captured an indoor 3,000-meter title and contributed on the indoor DMR that earned First-Team All-American honors in Birmingham, Ala. as well as earning a bronze medal finish in the 1,500-meters outdoors.

Bucknam brought his SEC title count to 22 with a victory at the 2017 Cross Country Championships. In NCAA competition his Razorbacks posted their highest cross country finish since 2006, finishing just off the podium in fifth place, following an All-American performances by Jack Bruce who finished 13th at the 2017 Cross Country Championships.

The Hogs 2016 fall campaign paved the way for success on the track as Arkansas posted two more NCAA top-five finishes, claiming fifth place during the indoor season and fourth place during the outdoor season. Bucknam's squad was rewarded for their full-year versatility, named the 2016-17 John McDonnell Program of the Year by the USTFCCA for the second time in Razorback history.

In total Bucknam's team produced 37 All-Americans, one individual national champion, three NCAA runner-ups and nine conference and regional accolades in the last year.

The 2015-16 season brought the program's 15th SEC Triple Crown as Bucknam masterfully guided the Razorbacks to decisive conference victories during the cross country, indoor and outdoor seasons.

Arkansas' dominance didn't end at the league level, exceeding expectations at the national ranks as well with three top-six NCAA finishes - two of which were national runner-up performances.

Bucknam has been successful on all fronts in his time at Arkansas. In 2015, the Razorbacks saw a cross country campaign see five different student-athletes take the lead for Arkansas during the season. Their success carried through to track season with Bucknam relying on a combined effort from all event groups to lead Arkansas to postseason titles. His squad rose to the occasion as over 90 percent of the Razorbacks' conference roster contributed at the SEC Championships and further delivering two NCAA national runner-up performances.

Bucknam oversaw one of the most phenomenal performances in the history of NCAA track in field in 2016 as Jarrion Lawson captured three NCAA individual titles for the Razorbacks, completing the Jesse Owens triple with victories in the 100, 200 and long jump at the outdoor championship. Last season's success was a continuation of Arkansas long-standing tradition including the 2013 indoor squad who captured Bucknam's first and Arkansas' 41st NCAA title.

Along with the indoor title, Arkansas placed 10th at the NCAA Cross Country Championship and third at the outdoor meet allowing the program to claim its first John McDonnell Program of the Year award, named after the legendary Arkansas coach whom Bucknam took over for following his retirement.

Since 2011, Bucknam's squads have captured 16 league championships. No other SEC school has more than five in that same time frame.

Prior to taking over the Arkansas program, Bucknam was a well-respected head coach at Northern Iowa where he led his teams to 35 conference championships, two top-10 and six top-20 finishes at the NCAA Indoor and Outdoor Championships. He was named conference coach of the year 33 times while in Cedar Falls, Iowa, and coached three individual national champions and 34 All-Americans who earned a total of 85 honors.

His time with the Panthers saw him lead the men's program for 25 seasons and a combined track and field operation for the final 11 years. Bucknam's career at Northern Iowa began as an assistant in 1979 before he assumed the head coaching job prior to the 1984 campaign. Doug Case enters his 12th season as an assistant coach with the University of Arkansas track and field teams.

Since arriving in Fayetteville following an extended stay at Northern Iowa, Case has revitalized the Arkansas sprint team and led his student athletes to 10 NCAA individual titles, including the first-ever championships in pole vault, 60-meter hurdles, 110-meter hurdles, 4x100-meter relay and indoor 4x400-meter relay.

The crowning achievement of Case's time with Arkansas came during the 2013 indoor track season when he and longtime friend and mentor Chris Bucknam led the Razorbacks to the NCAA Championship. The duo followed up the win with a third-place finish at the outdoor meet, which led to the University's first John McDonnell Program of the Year award.

During the 2017 season Case's event group proved instrumental in Arkansas' strong conference and NCAA performances led by 400-meter hurdler Kemar Mowatt and 4x400-meter relay quartet of Jamarco Stephen, Obi Igbokwe, Eric Janise and Rhayko Schwartz.

A 2015 transfer, Mowatt quickly developed under Case from a 51-second hurdler to an SEC champion, program record-holder, NCAA bronze medalist and World Championships finalists..

Case's 4x400 meter relay squad propelled the Razorbacks to a podium finish at the 2017 NCAA Outdoor Championships, earning NCAA silver in a new program record of 3:01.84.

In short time, Case's athletes have made an impact on Arkansas' record books. 67 marks on Arkansas' top 10 performance list across 16 events belong to student-athletes developed by Case. In 2016 Case guided Arkansas sophomore Omar McLeod past the Razorback record books and into collegiate history to claim the NCAA all-time best spot at both 60-meter and 110-meter hurdles, which had previously stood for 36 years.

Under Case's supervision, McLeod developed into one of the best high-hurdlers in the world. In his freshman season, McLeod earned SEC Freshman Runner of the Year. He capped his amateur career as a Bowerman Trophy semi-finalist and with a victory at the Jamaican national Championships as the first collegian to run a non-wind assisted sub-13 time in the 110-meter hurdles.

The 2015 NCAA Championship winning 4x100-meter team assembled by Case included SEC Freshman Runner of the Year Kenzo Cotton, and individual indoor event All-Americans Jarrion Lawson and Marqueze Washington. Case was responsible for the breakthrough performance by Lawson at 100-meters, who went from unknown in the event to the third fastest in the country in the span of one month.

The collegiate duo of Cotton and Lawson and returning 4x100 relay members both placed national in individual sprint events during the indoor and outdoor season. Lawson accomplished the coveted Jesse Owens triple with victories in the 100, 200, and long jump at the NCAA Outdoor Championship.

Lawson and Cotton both qualified for the U.S. Olympic Trials advancing to the semifinals in both the 100 and 200 in their debut at the event. As the seventh place finisher in the 100, Lawson earned a spot on Team USA's 4x100 relay team, going on to assist them at the Olympic Games during the preliminary round of competition.

A product of the mentoring of both Case and assistant field events coach Travis Geopfert, Lawson was the first member of the Arkansas men's track and field team to be a finalist for the sport's most prestigious honor the Bowerman Award. He also was the first collegiate track athlete to earn an ESPYs nomination in the Best Male College Athlete category.

His work isn't limited to the track as Case developed the abilities of All-American pole vaulter Andrew Irwin who in his time with Arkansas won two NCAA championships and five SEC titles. Case's work with Irwin has won the Mt. Ida, Ark., native five All-America honors, SEC Freshman Field Athlete of the Year awards both indoor and out, the SEC Field Athlete of the Year for the 2012 outdoor season and USTFCCA South Central Region Field Athlete of the Year accolades.

Prior to joining his mentor on the Arkansas coaching staff, Case was a very successful coach at Northern Iowa, leading his student-athletes to two individual national championships, 43 All-America honors and 68 national championship qualifiers. His athletes dominated the Missouri Valley Conference with 97 individual and relay championships in his time with the Panthers and set school records in 10 events.

While Case is proud of the efforts of all of his former competitors, 800-meter runner Tyler Mulder and pole vaulter Jacob Pauli hold a special place with Case after the tandem won national titles in 2008 and 2001, respectively. Mulder earned his title with a spectacular 1:49.20 at the national meet and Pauli went on to finish third at the 2007 USA Outdoor Championship.

Case's career path saw him make a stop at Arkansas State before taking the head coaching position at Drake and eventually Northern Iowa. At Arkansas State, the Red Wolves won nine Sun Belt Conference titles and Case recruited 52 outdoor and 49 indoor individual conference champions, four All-Americans, seven Olympic Trials qualifiers and three Olympians. His three-year stint at Drake included three school records and a ninth-place finish by the distance medley relay at the NCAA Championship.

A former Northern Iowa sprinter, Case set eight school records between 1982 and 1986 and was an all-conference performer. A native of Marshalltown, Iowa, Case received his bachelor's degree from UNI in 1987 and served as a graduate assistant with the panthers the next two seasons. He and his wife, Chris, have four children: Kelsey, Lauren, Cameron and Regan.

ASSISTANT COACH MARIO SATEGNA

2nd SEASON LSU, 1996

USTFCCA National Assistant Coach of the Year ('06, '12)

USTFCCA Midwest Asst. Coach of the Year ('06)

NCAA Region Honors:

NCAA South Central Region Men's Indoor & Outdoor Head Coach of the Year ('15)

NCAA South Central Region Women's Indoor Head Coach of the Year ('14)

Nine-time Big 12 Coach of the Year ('14-'17)

Mario Sategna was hired as an assistant coach for the University of Arkansas Razorback men's track & field team on July 23, 2018, arriving on The Hill following 15 years at the University of Texas in Austin as an assistant, associate, and head coach during his time with the Longhorns.

During his first season in Fayetteville Sategna was integral in helping Erich Sullins continually reset the program record in the hammer throw and the weight throw. Sullins finished with marks of 67.84m (222-7) and 63.95m (209-10), respectively earning Honorable-Mention All-American honors at the Outdoor Championships as the first Razorback to qualify for the NCAA meet in the event.

Prior to Arkansas Sategna served as the head coach at the University of Texas in Austin.

When the University of Texas combined its men's and women's programs in June 2013, it looked to long-time men's assistant coach Mario Sategna to lead the new version of the Longhorns. In his four years leading the combined program, Sategna led the Longhorns to 11 Big 12 Conference titles, including the first three-peat in conference history in men's outdoor track & field.

As an assistant coach at Texas, Sategna (suh-TANE-yuh) became one of the most respected field event coaches in the nation, serving under head coach Bubba Thornton and helping the Longhorns to finish among the top 10 at either the NCAA indoor or outdoor meets 13 times, including a sixth-place showing at the 2013 NCAA Outdoor Championships. Two of the athletes he tutored in field events - Ryan Crouser (shot put) and Johannes Hock (decathlon) - captured national titles.

During his 10 seasons as a UT assistant, Sategna helped coach seven throwers, jumpers and multi-event athletes (Crouser, Marquise Goodwin, Trey Hardee, Hock, Donovan Kilmartin, Andra Manson and Maston Wallace) to 11 NCAA titles. That group is among 21 of his athletes to earn 62 All-America honors.

While an assistant, UT posted consecutive third-place finishes at the 2007 and 2008 NCAA Indoor meet (best indoor team finishes in school history). They were third at the 2006 NCAA Outdoor meet and fourth in 2008. In addition, Sategna has been on staff for seven Big 12 Championships. His athletes have captured 35 conference titles (16 indoor; 19 outdoor).

In 2012, he helped Goodwin capture the long jump at the 2012 U.S. Olympic Trials and finish 10th at the London Olympics. Goodwin became the first collegian to win both the Olympic Trials and the NCAA Outdoors long jump competition in the same year since 1960. He was also the first-ever Longhorn to reach the long-jump final at the Olympics.

Sategna moved to Texas from the University of Minnesota where he was the men's assistant coach for four years (1999-03). In that position, he was in charge of the throws, multi-events, pole vault and high hurdler events. He coached student-athletes to four Big Ten individual crowns, two All-America honors and eight school records. Sategna also helped guide Minnesota to the Big Ten Conference Outdoor title, a first-place finish in the USTCA Indoor Team Power Rankings and top 10 showings at the NCAA Indoor and Outdoor Championships during the 2003 campaign.

Before his tenure at Minnesota, Sategna served as an assistant coach in charge of throws at Wichita State from 1998-99. Prior to his stint with the Shockers, Sategna was a physical education teacher and track and field coach at Albuquerque (N.M.) Academy in 1997-98 and a volunteer assistant track and field coach at LSU in 1996-97.

A standout decathlete, Sategna was a three-time All-American at LSU in the 1990s. He won the 1994 Southeastern Conference title and the 1995 NCAA crown in the decathlon, and his personal-best point total of 8,172 still stands as the LSU record and ranked among the NCAA top 10 all-time point totals. He also finished sixth in the World University Games, was a 1996 United States Olympic Trials qualifier and won the 1997 U.S. versus Germany Decathlon Dual meet (8,107).

A native of Bloomfield, N.M., Sategna earned a bachelor of science degree in kinesiology from LSU in 1996 and a master of education degree in applied kinesiology from Minnesota in 2002. Sategna is USATF Level II certified in sprints, hurdles, throws and multi-events.

Sategna and his wife, Dahlia, reside in Fayetteville with their three children.

NCAA Individual Champions

Joe Falcon - 1987

One of the most decorated distance runners in Arkansas history, Joe Falcon compiled seven NCAA titles, 15 SEC crowns and was named an All-American 11 times. He was the 3,000-meter champion in 1987 and 1988, indoor mile champ in 1988, outdoor 10,000-meter champion in 1987, outdoor 1,500-meter champion in 1988 and NCAA cross country champion in 1987.

His NCAA win in 1987 propelled Arkansas to its third NCAA Cross Country team title. Falcon and the squad recorded a team score of 87 to edge out Dartmouth (119 points).

Falcon was ranked among the top distance runners in the world throughout his career by Track and Field News, including a No. 1 ranking at 5,000 meters in 1989 and 1,500 meters in 1990. He was the champion of the annual Oslo Dream Mile in 1990 in Oslo, Norway with a time of 3:49.31, a race that saw his fastest 1,500-meter split: 3:33.6.

Godfrey Siamusiye - 1995, 1996

A two-time Olympian for his native Zambia, Godfrey Siamusiye competed at 5,000 meters in the 1993 Barcelona Games and in the 3,000 meter steeplechase at the 1996 games in Atlanta. He finished 10th in his semifinal heat of the steeplechase with a time of 8:37.41. At Arkansas he was a two-time NCAA Champion in cross country (1995-96), and a back-to-back champion in the outdoor 10,000 meters (1995-96).

Siamusiye's race win in 1995 led Arkansas to its eighth NCAA Cross Country team title. The '95 squad scored 100 points to beat Northern Arizona's 142 points. Arkansas earned an NCAA runner-up finish in the team race behind Siamusiye's win in 1996.

Arkansas' records book still reflects the impact of Siamusiye on the program's long-distance legacy. He still owns the No. 2 time in the steeplechase with a time of 8:25.49 which he ran during the 1996 season. Siamusiye is also 10th on Arkansas' all-time 5K list with a 13:37.80 performance in 1996. He never lost a cross country race as a Razorback.

HALL OF HONOR

Randy Stephens, 2018

A four-time All-American, four-time SWC individual champion and four-year letter-winner for legendary coach John McDonnell from 1979-82, Randy Stephens was one of the first in a long history of outstanding middle-distance runners in Arkansas men's track and field history. Stephens captured his first conference title for Arkansas with a win in the 880-yard run with a time of 1:52.69 at the 1979 Southwest Conference Indoor Championships. He repeated the feat during his sophomore season (1:51.51) and went on to become an All-American as the half-mile leg of Arkansas' fourth-place finishing distance medley relay team at the 1980 NCAA Indoor Championships. Stephens picked up two more All-America honors during his junior season, placing fifth with the DMR at the indoor national meet and third in the 800 at the outdoor national meet. Stephens was the second Razorback to ever attain both indoor and outdoor All-America status in the same academic year (1980-81). As a senior, Stephens captured two more SWC event championships, including his third title in the 1,000-yard run and another as part of the Razorback Distance Medley relay. He capped his time at Arkansas as an NCAA individual champion in the 1,000-yard run (2:07.37) at the 1982 NCAA Track and Field Championships.

Wallace Spearmon Jr., 2019

A Fayetteville native and a second generation Razorback, Wallace Spearmon, Jr. took American short sprinting to a new level during his two seasons at Arkansas in 2004 and 2005. As a Razorback, Spearmon, Jr. was a three-time NCAA 200-meter Champion, earned five All-America honors and four All-SEC honors. As a freshman in 2004, Spearmon became the first Razorback in history to win the NCAA Outdoor 200-meter title (20.12). As a sophomore he won the 200 meters at the SEC meet before setting a pair of American Records in the same event at the 2005 NCAA Indoor Championships. He first ran 20.21 in the semifinals then improved to set an NCAA record time of 20.10 in the final to win the NCAA title. The time was an American, Collegiate and Arkansas record. It remains the Arkansas indoor record at that distance and remained a collegiate record until 2017. He capped his Razorback career by defending his NCAA title outdoors (19.91) at the 2005 NCAA Outdoor Championships. His Arkansas outdoor 200-meter record still stands at 19.89. After turning pro, Spearmon, Jr. won 200-meter medals at his first two trips to the World Outdoor Championships (2005-silver, 2007-bronze) and added a third at the 2009 World Championships in Berlin win he captured the bronze medal with his season's best time of 19.85 seconds. During the 2008 Olympic Games 200-meter final in Beijing, Spearmon came roaring back from a slow start to finish third in 19.95 seconds but was later disqualified for a lane violation. Spearmon's father, Wallace Sr., was a two-time All-American for Coach McDonnell at Arkansas and was a part of the first national championship team in 1984 as a sprinter.

UNIVERSITY
OF
ARKANSAS

THE UNIVERSITY OF ARKANSAS

The University of Arkansas provides a student-centered learning experience focused on research, innovation and outreach as a part of educating future leaders. Consistently ranked among the top public universities and best values in the U.S., the U of A is classified among the top two percent of institutions nationwide with the highest possible level of research activity.

The university's 27,065 students represent all 50 states and more than 120 countries. The U of A has 10 colleges and schools offering more than 210 academic programs – while maintaining a low student-to-faculty ratio that promotes personal attention and mentoring opportunities.

Founded in 1871, the university is the oldest publicly supported institution in the state and is the flagship of the University of Arkansas System. The U of A campus features distinctive architecture, including its signature building, Old Main, finished in 1875. The iconic building now houses the J. William Fulbright College of Arts and Sciences. The college is named in honor of former U of A President (and, later, U.S. Senator) J. William Fulbright, who helped create the prestigious international scholarship and fellowship programs that bear his name.

The university promotes undergraduate research in virtually every discipline and has an outstanding national reputation in many areas, including agriculture, architecture, business, creative writing, engineering, high-density electronics and nanoscience, as well as sustainability and environmental sciences. Programs such as Supply Chain Management, Rehabilitation Counseling, Industrial Engineering and Biological and Agricultural Engineering rank among the best in the country.

The University of Arkansas offers a vibrant campus life that is culturally, intellectually and socially enriching. On our campus you'll find more than 300 registered student organizations, from special interest to professional groups, as well as 33 Greek organizations, making it easy and rewarding to get involved. Every semester offers opportunities to attend musical performances, theater productions, art exhibits, concerts, free films, poetry readings, visiting speakers and hundreds of other varied events.

THE UNIVERSITY OF ARKANSAS

HISTORIC SENIOR WALK

As you make your way around campus, you're sure to notice something unique about many of the sidewalks. Historic Senior Walk showcases the names of more than 150,000 University of Arkansas graduates, grouped by year of graduation. Senior Walk is the university's longest tradition in both length and years. It's concrete proof of the university's commitment to students.

Senior Walk is also a perfect example of how the University of Arkansas celebrates its history and traditions while focusing on innovations for the future. When the costs involved in hand-etching names into concrete forced numerous other universities to give up, the U of A turned to its physical plant and engineering school grads to create a one-of-a-kind computerized sandblasting machine: the SandHog. Each summer, the SandHog roars across campus etching the names of new graduates into sidewalks.

opportunities for research partnerships, internships, and post-graduation employment.

Arkansas is a natural wonder of forests, mountains and lakes framed by picturesque rivers and streams. Some of the nation's best outdoor amenities and most spectacular hiking trails are within a short drive of campus.

BEYOND CAMPUS

Fayetteville is routinely considered among the country's finest college towns and the surrounding Northwest Arkansas region is regularly ranked one of the best places to live in the U.S. You'll find a number of attractions that will contribute to a rich college experience.

Three of America's largest corporations have their world headquarters in the region: Walmart, Tyson Foods and J.B. Hunt Transportation, Inc. Their close proximity to the U of A campus, along with their executives' and employees' active involvement in university life, offers students and faculty exceptional

OLD MAIN

One of the original buildings on Arkansas' campus, Old Main symbolizes the strong connection to the past and the focus upon the future which come together in the present at the University of Arkansas. Completed in 1875, Old Main stood the test of time until the mid-1980s when age and modern building codes threatened to send it to the wrecking ball as had happened to its sister building at the University of Illinois. A major fund-raising campaign by alumni totally renovated Old Main. Reopening in 1992, the building maintains the feel of a Victorian-era building with high ceilings and elaborate wooden trim. Just below the surface of the period hardwood floors, Old Main is hard-wired to the internet and built to last well into its second century.

Even with renovation, Old Main remained unfinished until 2005. One of the gifts during the Campaign for the Twenty-First Century specified the installation of a clock, originally planned for the blank faces of the south tower.

As mentioned, Old Main was built from shared plans with its counterpart on the Illinois campus, with one important difference. The north tower of Arkansas' Old Main is taller than the south tower. Legend says this was symbolic of the Civil War as the lead engineer was a northern veteran.

RANDAL TYSON TRACK CENTER

In a re-dedication ceremony held Feb. 12, 2011, during the 2011 Tyson Invitational in Fayetteville, the Randal Tyson Track Center was recognized as "The Home of the Fastest Indoor Track in the World." The Razorbacks' home indoor track was resurfaced prior to the start of the 2011 track and field season.

In 2000, the Randal Tyson Track Center first opened on the University of Arkansas campus with the specially designed track, originally built by Mondo for the World Championships in Toronto, Canada. Since opening, the Razorbacks' home facility has played host to several world-class indoor meets, including six SEC Championships—most recently, the 2011 indoor conference meet—and 10 NCAA Championships.

Widely considered as the fastest indoor surface ever constructed, the Tyson track has been home to numerous world records and American records. Arkansas will increase its number of national hosting duties to 13 with the 2021 NCAA Indoor Track and Field Championships which will be held March 12-13, 2021, in Fayetteville.

In its first year of operation, the \$8 million facility hosted the Tyson Invitational, a meet on the Golden Spike Tour, the 2000 Southeastern Conference Championships and the 2000 NCAA Indoor Championships. In 2001 and 2002, the Randal Tyson Track Center once again served as the host for the Golden Spike Tour's Tyson Invitational and the NCAA Indoor Championships.

During the 2003 season, three events were held at the state-of-the-art facility: the SEC West Challenge, the Tyson Invitational and the NCAA Championships. The 2004 campaign saw four exciting events take place at the Randal Tyson Track Center, including the Arkansas, Razorback and Tyson Invitational meets and the national championships.

The schedule was full in 2005 as the Arkansas, Razorback and Tyson Invitationals and the SEC and NCAA Championships were all held at the Tyson Track Center.

A new 36x20 custom video scoreboard system by Daktronics was installed in time for the 2005 NCAA Championships. It features a 23x13 video display screen with instant replay, electronic timing and scoring capabilities.

The track itself is a 200-meter, 60-degree banked track that has 55-meter straightways running the entire length of the facility. It also includes men's and women's jumping runways and pits. The surface of the track is red and gray Mondo and was repainted in 2003.

With all of the big name events that are held in the facility, the Tyson Track Center was built to handle the demands for the many media outlets. The press box is two-tiered offering 50 seats and has an announcer's booth. There are four elevated camera positions located around the track. A media room is also available in the north concourse.

ADMINISTRATION

VICE CHANCELLOR AND DIRECTOR OF ATHLETICS Hunter Yurachek

Entering his second full year as vice chancellor and director of athletics at the University of Arkansas, Hunter Yurachek has made the most of his time since Chancellor Joseph Steinmetz announced him as vice chancellor and director of athletics on Dec. 4, 2017.

Shortly after his arrival in Fayetteville, Yurachek introduced a program-wide strategic plan that focused on fostering student-athlete success and centered on achieving the program's mission of building Champions and Razorbacks for Life. Thanks to the dedicated efforts of Razorback student-athletes, coaches, administrators, Razorback Foundation members and fans, results are already being realized on and off the field.

In 2018-19, Arkansas finished No. 23 in the Learfield IMG College Directors' Cup, which was first among programs with 19 or fewer teams. Arkansas captured two NCAA team championships (women's indoor and outdoor track and field), four SEC team championships (women's cross country, women's indoor and outdoor track and field, men's golf) and four SEC team runner-up finishes (soccer, men's cross country, men's indoor track and field and women's basketball).

In addition, the Razorback baseball team won a share of the SEC Western Division title and advanced to its second-straight College World Series. A total of 14 programs were nationally ranked during 2018-19, including five in the top 10. Arkansas had four NCAA individual and 22 SEC individual champions.

Razorback student-athletes continue to achieve at a high level in the classroom, posting a cumulative GPA of 3.24. Arkansas earned a program record six APR public recognition awards and saw 97 student-athletes graduate. The program graduated 98% of student-athletes who exhausted their athletic eligibility.

In 2018-19, Arkansas hosted its first NCAA Men's and Women's Golf Championships at Blessings Golf Club. In addition, Arkansas was home to the 2019 SEC Indoor and Outdoor Track and Field Championships as well as both an NCAA Baseball Regional and Super Regional at Baum-Walker Stadium.

Yurachek launched several initiatives to further engage Arkansas and Razorback fans around the world. In August 2018, as part of the One Razorback campaign, the inaugural One Hog Call event was held in Fayetteville, Little Rock and around the globe. Razorback fans

ADMINISTRATION

from more than 16 countries and 40 states participated in a simultaneous Hog Call. For the first time in more than a half century, Arkansas scheduled in-state non-conference opponents, when it initiated games with University of Arkansas system schools in multiple sports.

Yurachek's first full year in Fayetteville saw tremendous success. Arkansas tied a program record with a No. 16 finish in the 2017-18 Learfield IMG College Sports Directors Cup, a program that ranks the nation's most successful intercollegiate athletics programs. Arkansas finished first in the nation in the rankings among schools with 19 or fewer sports.

In 2017-18, Arkansas captured four SEC championships (men's and women's cross country, women's indoor track, women's golf), including the school's first SEC crown in women's golf. The Razorbacks earned three top-five national finishes including national championship runner-up finishes at the 2018 NCAA Women's Indoor Track and Field Championships and the 2018 College World Series. Four Arkansas student-athletes earned individual national championships in 2017-18.

In the 2018 spring semester, Razorback student-athletes earned a record-tying 3.25 GPA and 282 student-athletes secured a spot on the department honor roll. In addition, nearly 125 Razorback student-athletes added their name to Senior Walk as graduates of the University of Arkansas.

Yurachek came to Arkansas from the University of Houston where he served as the vice president for athletics. Prior to Houston, Yurachek served as Director of Athletics at Coastal Carolina University, where Coastal won 29 Big South Conference championships. JOHN MCDONNELL

Legendary University of Arkansas cross country and track and field head coach John McDonnell announced his retirement on April 21, 2008 following 36 years, 40 NCAA championships and 84 conference titles.

McDonnell's 40 national titles are more than any coach in any single-gender program in the history of collegiate athletics. He won five national triple crowns, 21 conference triple crowns, 34 consecutive cross country conference championships, including 17 straight in the Southeastern Conference, and has been named national, regional or conference coach of the year a total of 140 times.

From County Mayo, Ireland, McDonnell became head cross country coach of the Razorbacks in 1972, and head track and field coach in 1977-78. Since 1984, he won 19 national championships in indoor track, 10 in outdoor track and 11 in cross country. Since 1984, a total of 69 national titles have been awarded in those three sports, and McDonnell's teams won all but 29 of them.

His five national triple crowns came in 1984-85, 1991-92, 1992-93, 1994-95 and 1998-99; his 84 league titles include 46 in the SEC and 38 in the Southwest Conference, and a streak of 25 straight in all three sports from 1987-95; his 40 national championships include a string of 12 straight indoor titles from 1984-95, the longest streak of NCAA titles by any Division I school in any sport in collegiate history; and his teams have won at least one national championship in 21 of the last 26 years.

McDonnell, who earned his bachelor's degree from Louisiana-Lafayette in 1969, and coached at New Providence (N.J.) High School (1969-70) and Lafayette (La.) High School (1971) before coming to Arkansas, has won 16 more national titles than his next closest competitor (Pat Henry, LSU and Texas A&M), and only one other school, Texas-El Paso with three, has won a triple crown.

In addition to the championships, his list of honors includes membership in the halls of fame for National Track and Field, United States Track and Field and Cross Country Coaches Association (USTFCCCA), USA Track and Field, Arkansas Sports and Louisiana-Lafayette as well as the University of Arkansas Hall of Honor. Arkansas' 7,000-seat outdoor facility, John McDonnell Field, is named in his honor.

A 30-time national coach of the year, 50-time conference coach of the year and 62-time region coach of the year, he coached all but three of Arkansas' 187 All-Americans. Those student-athletes combined to earn 656 All-America honors.

He also coached 25 Olympians, including a gold, silver and bronze medalist, 103 NCAA individual event champions and 326 individual event conference champions. McDonnell won 46 of a possible 51 SEC championships (90 percent), including the 2008 indoor and outdoor conference titles.

McDonnell, who coached former Razorback Daniel Lincoln to the American record in the 3,000-meter steeplechase in July 2006, has been national coach of the year 12 times in indoor track, 11 times in outdoor track and seven times in cross country for a total of 30 awards. He was also been named the NCAA Mideast Regional Coach of the Year three of the five years it has been presented (2003-05).

His tenure at Arkansas began in 1972 coaching cross country and assisting Ed Renfrow with the track program. When Renfrow left coaching, former Athletic Director Frank Broyles promoted McDonnell in time for the 1977-78 academic year.
