Dining Services

- ? The new True Burger opened in the Union on Monday, Aug. 15. The location features made to order burgers, small batch battered, seasoned fries, and hand-dipped ice cream shakes. Five percent of every sale goes to a student scholarship as determined by leadership within Student Affairs. The early fall proceeds will benefit Off Campus/Non-traditional students.
- ? Other new formatting has taken place with the installation of local, alumnus-founded Flying Burrito in the Union and a pure, street taco venue called Rocket Taco replacing Papa Johns in Founders retail.
- ? The entire Union Food Court and The WOK have received a visual facelift, as well as a menu refresh. This central location includes former favorites as well as two different grain bowl offerings every day at lunch and grab and go breakfast sandwiches and burritos.
- ? The campus Freight Farm was officially installed over the summer. This week we realized the first lettuce seedlings, and we anticipate our first harvest mid to late September.

Off Campus Student Services

- ? In an effort to become an endowed scholarship, all contributions to the Off-Campus Student Services Non-Traditional Student Scholarship will continue to be matched between now and Thursday, Sept. 1. It is anticipated that the first scholarship will be awarded this fall for the Spring 2017 semester. For more information on how to help, please contact offcampus@uark.edu or call 479-575-7351.

Student Activities

However the 2015-2016 benefits expired June 30, so groups that are not registered at this time will be unable to reserve rooms, write checks, update email passwords, etc. If you advise any student groups, please encourage them to re-register if they have not

already done so. Information is available at <http://osa.uark.edu/registered-student-organizations/registration.php>.
