Introduction

On November 8, 1990, President Bush signed the “Student Right to Know and Campus Security Act of 1990.” The Act applies to every institution of higher education that receives federal financial aid. Title II of the Act was called the “Campus Crime Awareness and Campus Security Act of 1990.” It requires institutions of higher education to distribute to all current students and employees, and applicants for enrollment or employment, two types of information: (1) Descriptions of policies related to campus security, and (2) Statistics concerning specific types of crimes. Amendments enacted in 1998 renamed Title II, and it is now known as the “Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act.” The amendments require the disclosure of crimes that are reported to police and campus officials other than police, along with a breakdown of locations of criminal activity to be specified as on-campus, non-campus, residence hall or public property. Prior to the passage of this Act, approximately 350 institutions of higher education voluntarily reported crime statistics to the FBI Uniform Crime Report (UCR). The University of Arkansas at Fayetteville has reported to the UCR since 1974.

University Police Department Law Enforcement Authority

UAPD’s law enforcement authority comes from Arkansas State Statute 25-17-304 which confers the same powers as any municipal, county, or state police agency in Arkansas. This includes the power to arrest. UAPD is the primary law enforcement agency for the University of Arkansas and is responsible for the investigation of alleged criminal offenses. UAPD continually works with other municipal, county, state, and federal law enforcement agencies within the state of Arkansas, and occasionally with others outside the state as well. UAPD is a community policing, service-oriented agency. Service to the community is top priority.

Reporting Crime and Other Emergencies on Campus

UAPD can be contacted by telephone, emergency/information phones, in person and by email. By telephone, UAPD may be reached by dialing 911 or 2222 if it is an emergency. Extension 2222 may also be used for non-emergencies (575-2222 from cellular and off-campus telephones).

Outside on university grounds, one may use the emergency/information phones located across the campus and in selected parking lots. The phones are also located in all elevators on campus and throughout the parking garages. The phones are a direct connection to UAPD Communications Center. UAPD Communications Center personnel can supply information or dispatch officers as necessary. UAPD officers patrolling campus in vehicles, on foot, on bicycles and on Seaways are eager to be of assistance and may be contacted directly.

The email address for UAPD is uapdinfo@cavern.uark.edu. Messages sent via this address are received anonymously. If a response is desired, an address must be included in the message.

UAPD will respond as quickly as possible to any request for assistance, whether it is an emergency or not. Response time is based on current activity and the severity of the call. Crimes in progress, traffic accidents and medical assists have a higher priority than other types of calls.

It cannot be stated enough how important it is to promptly and accurately report crime, no matter where it occurs. If a crime is not promptly reported, evidence can be lost and/or a suspect could get away. If a crime is not accurately reported, leads could be missed and an investigation could head the wrong direction. If you see a crime or emergency, promptly report it to UAPD and answer questions as accurately as you can. The investigation can only be as good as the information received. If you see or receive knowledge of criminal activity or other emergencies, or if you are the victim of such, please contact UAPD or any campus official.

Campus and Community Notification of Criminal Activity

If there are crimes occurring on the U of A campus that will continue to endanger or affect the campus community, Public Safety Bulletins will be sent via email to all University of Arkansas email addresses, and published and posted on bulletin boards across the campus. The bulletins will allow members of the campus community to know what is currently happening so they can better protect themselves.

Public Safety Bulletins are also linked to the web page maintained by UAPD. Information about the department, services provided, and related resources concerning safety and security can be found there. From the web page, you may email questions or information to UAPD. The web page address is <http://uapd.uark.edu>

UAPD maintains a log of all department activity that is available for viewing upon request. Summaries of crime incidents are available for viewing on the UAPD web site at <http://uapd.uark.edu/120.php> and articles may be published in University newspapers and/or newsletters, and in local, state or national newspapers at the discretion of the news organizations. Other media such as radio and television may broadcast summaries of incidents at their discretion. The daily crime log is sent via email to anyone who subscribes to the UARKPD-L Listserv. To subscribe, contact the Public Information Officer at 479-575-2311 or send your request, including your email address, to uapdinfo@cavern.uark.edu. The log is also available for review at UAPD.

Campus Community Notification of Emergencies

It is the policy of The University of Arkansas to issue Emergency Notification Alerts in an effort to notify community members about certain crimes in and around our community in a timely manner. For the purposes of this policy, "timely manner" means that upon confirmation by University of Arkansas Police Department, the campus community will be immediately notified of any significant emergency or dangerous situation involving an immediate threat to the health or safety of students, faculty and staff. Warnings may only be withheld if they would compromise efforts to contain the emergency. The University of Arkansas complies with the Jeanne Clery Disclosure of Campus Security Policy and Campus Crime Statistics Act as mandated by the Department of Education.

The Chief of the University of Arkansas Police Department and/or designee, Dean of Students and/or designee, the Associate Vice Chancellor of University Relations and/or designee are responsible for consulting on a case-by-case basis of when "Timely Notification" information in the form of an alert is disseminated.

In the event a situation arises, either on or off campus, that in the judgment of the Chief of Police, University of Arkansas Police Department, constitutes an ongoing or continuing threat to safety of persons or property, a campus-wide "Timely Warning" will be issued. The Dean of Students or designee and the Director of News and Editorial Communications in University Relations or their designee should review the warning before it is released. However, if those individuals or designees are unavailable, the Chief of Police or designee may issue the warning without such review. The warning will be issued through the University text messaging system (RazAlert) to students, faculty and staff, or by any means deemed appropriate. The warning will also be released to area media via University Relations, and posted on the web site of the University of Arkansas and/or the University of Arkansas Police Department.

In addition, decided on a case-by-case basis depending on the particular circumstances of the crime, bulletins may be posted at appropriate locations around campus including bulletin boards, electronic bulletin boards, residence halls, entrances to buildings and other available electronic media.

Timely Notifications will contain information that promotes safety and allows individuals to protect themselves, and will contain the time, location and type of crime.

Status updates pertaining to the resolution and final disposition of a crime and/or Emergency Notification will be disseminated as soon as possible.

Anyone with information warranting a Timely Warning should report the circumstances to the University of Arkansas Police Department. Call 911 for emergencies.

Campus Authorities or University Administrators will immediately notify the University of Arkansas Police Department if they receive reports of crimes or serious incidents.

Campus Facilities Security and Access

Academic and Administrative Facilities: The responsibility for locking and unlocking doors rests with Custodial Services or designated department or unit staff members depending on the use of the building. Times vary from building to building and are arranged with the Building Executive, Dean or Department Head. For activities scheduled at times when a building is normally locked, arrangements need to be made in advance with one of those officials.

Athletic Facilities: The responsibility for locking and unlocking doors rests with the staff of the Arkansas Athletics Department. Times vary from building to building depending on the activity in the facility. For activities scheduled at times when a building is normally locked, arrangements need to be made in advance with the athletic department official responsible for the building.

Residence Halls and Dining Halls: The responsibility for locking and unlocking doors rests with University Housing and Campus Dining Services. All of the residence halls are secured with card access systems. Only those individuals given authority to enter a building may enter.

Apartments and Managed Properties

Stonehenge Apartments, Duncan Avenue Apartments, Crowne at Razorback Apartments and other managed properties do not have card access systems. The responsibility for locking doors rests with the resident(s) of each apartment.

Fraternities: The responsibility for locking and unlocking doors rests with the fraternities.

Sororities: The responsibility for locking and unlocking doors rests with the sororities. Most sororities are secured using push button combination locks.

Campus Crime Statistics

Tables on the next two pages contain statistics from UAPD, The Office of Community Standards and Student Ethics, other campus officials, Fayetteville Police Department and Washington County Sheriff's Office. Statistics are categorized in four locations:

Fire Safety Procedures

University buildings are equipped with fire alarm systems to provide warning in the event of a fire. The alarm systems provide a means to manually activate the alarm at a pull station in addition to the smoke detectors that are in place. Should a fire alarm be activated, occupants of the building should vacate the building in an orderly manner, even if no fire or smoke is readily apparent.

Fire Alarm Systems in University Residence Halls

University Housing utilizes the Edwards System Technology - EST3 Fire Alarm System in each of its facilities. The detectors deployed are intelligent and communicate with the primary processor, eliminating detector tampering or removal. Sounder bases are utilized in most of our facilities. These sounder bases activate at the onset of smoke and/or if the detector is removed from its base. These 95db sounder bases have proven to almost totally eliminate students' refusal to evacuate.

Speaker/Strobes are used in place of Horn/Strobes. These speaker/strobes and accompanying hardware make voice evacuation, live emergency announcements and pre-recorded emergency messages possible. Each system is loaded with a standard Tornado Warning Message. This message can be activated at the panel or from a central location that is staffed 24/7/365. Efforts are underway to have these emergency messages triggered from our University Police Communications Center.

University Housing employs a full time NICET Level Two Certified technician. This technician is certified by Edward Systems Technology to install and program their EST3 system hardware.

Fire Sprinkler Systems have been added to two of the older residence buildings. All new construction is outfitted with sprinkler systems. Additional sprinkler systems are considered and will be installed as renovation plans progress.

Communicating a False Alarm

It is a violation of state law and university policy to deliberately sound a false alarm and/or to tamper with fire safety equipment. Violators may face prosecution in the local criminal court system and the university judicial system. Such behavior will not be taken lightly. In the most severe cases it does endanger lives and at a minimum it disrupts the educational process.

Flammable Materials, Explosives, Fireworks and Open Flames

Dangerous items such as flammable materials, explosives and fireworks are not permitted on the university campus or in university buildings except in approved and supervised programs such as the ROTC Departments and certain academic programs. Substances which have the potential to cause fires or explosions are not permitted inside the residence halls. No open flames are allowed. Smoking is not allowed in any residence hall. Halogen lamps are not allowed. Electrical appliances that have an exposed heating element are not allowed in residence halls. Fires in residence halls are known to have resulted from burning candles and/or incense. These items are not allowed in student rooms and/or public areas of the residence halls.

Fire Drills

The purpose of the fire drill is to acquaint residents with a rapid and orderly means of exit during an emergency. Each housing facility conducts no fewer than two fire drills annually. These drills are conducted between the first and tenth day of class for each primary semester, once in the fall semester and again in the spring semester. The "Summer School Facility" holds an additional drill at the start of summer school. We also conduct fire drills for summer camps/conferences that are considered "extended stay" programs. These are conferences that last several weeks. All persons in the building are required to participate in the fire drills and evacuate the building through the exit routes. Fire safety programming is conducted by residence hall staff

each semester. Printed information is provided in each residence hall room warning of over-use of electrical outlets and other basic fire hazard information. Bulletin boards in residence halls are used to provide additional information.

Evacuation Procedures

Evacuation procedures are posted on each floor of each residence hall. These plans and procedures include identification of no less than two evacuation routes and the location of severe weather shelter areas.

Fire Alarms and Evacuation

If you are in a room and the fire alarm has sounded, do not open the door until you check for smoke around the door cracks and feel the surface of the door. If it is hot, do not open it. If the door seems cool, open it cautiously with your body braced firmly against it. While one hand is on the knob, hold one hand over the door opening to detect any blast of in-rushing heated air. If there is none, and the passageway is safe, proceed quickly to a clear exit, closing all doors behind you.

If the door is hot, do not open it. Seal up the cracks around the door with sheets, pieces of cloth, or whatever is handy. The door can hold back the dangerous heat and smoke. Hang a sheet out of the window to signal rescuers. Open the window slightly, as this will let the fresh air in and allow smoke to dissipate.

If you are trying to escape through a smoke-filled room or corridor, proceed as follows:

- a) Heat and smoke rise, so move quickly in a crouching position to the nearest exit.
- b) Place a towel or other cloth over your head and face. Breathing through the towel will help cool the air and filter the air of debris.
- c) Take short breaths, breathing through your nose.
- d) Cover your body with something that can easily be discarded if it catches fire. An example would be a wool blanket.
- e) Try to remain calm.
- f) Never reenter a burning building for any reason.

Reporting Fires on Campus

Every incident of fire should be reported immediately. Call 911 to get Fayetteville Fire Department personnel and emergency responders to the scene. If a fire is discovered after it has been extinguished, it still needs to be reported. The fire department will inspect the area to prevent later flare-ups and to determine the cause of the fire. University officials should also be notified. The notification should be directed to UAPD and/or the Fire Marshal at Facilities Management. Notification can also be made to the Academic Specialist for First Year Initiatives, the Assistant Director for Community Engagement, the Assistant Director of Residence Education, the Assistant Director of Student Rights and Responsibilities, the Executive Director of University Housing and/or the Director of Residence Education.

Programs and Activities Available on Campus to Raise Awareness of Safety and Risk Reduction

Pat Walker Health Center

CAPS (Counseling and Psychological Services) - Confidential consultation and other services provided to members of the University community to solve problems, understand themselves, grow personally and develop more satisfying relationships with friends and family. Counselors do not make crime reports but may inform their clients of the opportunity to make voluntary, confidential reports to other authorities.

STAR Central (Support Training Advocacy Resources) - Confidential victim support and advocacy services.

RESPECT (Rape Education Services by Peers Encouraging Conscious Thought) - A peer education program utilizing presentations, interactive campus exhibits, outreach initiatives and awareness events. Annual programs include:

Alcohol Awareness Week - Interactive exhibits and “walk-about” are created that actively engage students in health promoting behaviors and raise their awareness about sexual assault. RESPECT takes advantage of this opportunity to remind students that alcohol is the number one date rape drug used to perpetrate drug-facilitated rape.

Balloon Release - In conjunction with an initiative of the Arkansas Coalition Against Sexual Assault, RESPECT engaged in developing and implementing the project on campus to provide support for survivors of sexual violence and to advocate for communities to rise up against sexual violence.

Campus Clothesline Project - A vehicle for people to express their emotions and views through displayed shirts that have been decorated or contain written messages about the affects and prevalence of sexual violence.

Holiday Tree of Hope and Support - An exhibit that empowers students to share their concerns about sexual assault through the decoration of ornaments with awareness messages, risk reduction strategies, messages of hope for a campus free of sexual violence and support for victims and survivors of sexual assault.

Mock Rape Trial - An interactive play produced by St. Norbert College P.E.E.R. Educators. As RESPECT members play the roles of prosecution, defense, victim, accused and judge, members of the audience are randomly selected to serve as the jury.

Take Back the Night March - Many community agencies have become involved with this event and help promote it and provide exhibits at the march. Activities include a proclamation from the city of Fayetteville, a speak-out, a candlelight vigil, a reading of Marge Piercy’s Rape Poem, inspirational singing and advocacy speakers.

The Banner Project - An interactive project that empowers the campus community to pledge that they will never harm another. Students, staff and faculty lay their hands upon the banner, trace their hands and sign the banner pledging not to engage in violence against another.

Campus Lighting Tour - A walking tour of campus grounds to inspect lighting and survey needs for improvement. Representatives from several departments, administration, student groups and media participate in the tour. The tour is conducted at least twice a year. Monthly inspections of lighting are made by police officers and Facilities Management staff. Anyone can report an outage by going to Facilities Management's web page at <http://www.phpl.uark.edu> and completing a Campus Outdoor Lighting Service Request.

Crosswalk Safety Awareness Day - A cooperative effort involving campus and community to bring attention to the pedestrian safety laws and heighten awareness of crosswalk safety. The annual event is scheduled each fall semester.

Procedure If a Student Is Reported Missing

In accordance with § 485(j) of the Higher Education Act, 20 U.S.C. § 1092(j), the University of Arkansas has developed this investigation and notification policy regarding students who reside in on-campus housing and Greek houses recognized by the Office of Greek Life who have been reported as missing.

Any report to a University official indicating that a student who resides in on-campus housing (including, but not limited to, Greek houses recognized by the Office of Greek Life) is missing shall be referred immediately to the University of Arkansas Police Department, the Office of the Vice Provost/Dean of Students, and University Housing and Greek Life, if applicable, and an investigation shall be conducted. If the investigation determines that the student has been missing more than 24 hours, the following persons shall be notified:

1. A confidential contact person designated by the student.

A. Students have the option of identifying an emergency contact person of their choice. This emergency contact information can be updated in the ISIS management system as well as with individual residence halls. The information shall be considered confidential and is only to be accessed by University officials for official purposes.

2. If a student is under 18 and not an emancipated minor, the student's custodial parent(s) or legal guardian(s).

3. Local law enforcement authorities.

The University of Arkansas Police Department will work with other law enforcement agencies, if necessary, once a student is determined to be missing. University officials may elect to notify additional persons determined to be appropriate consistent with the Family Educational Rights and Privacy Act, 20 U.S.C. § 1232g.

Students are encouraged to share pertinent information with family and friends when leaving campus or taking trips. Sharing this information will enable University staff, as well as family and friends, to contact you if the need arises. In addition, students are encouraged to periodically update their emergency contact information in ISIS.

During the Fall semester of each academic year, the Office of the Vice Provost/Dean of Students will notify all students residing in on-campus housing of this policy.

University of Arkansas Alcohol Policy

Possession and use of alcoholic beverages in public areas of University facilities (including organized houses) and at official University student functions held on campus must follow state and federal laws and university policies at all times. Each campus shall establish policies to be approved by the Chancellor regarding the use of alcoholic beverages on and off campus for student and non-student events. Other units of the University designated by the President shall develop such policies for approval of the President. Irresponsible behavior while under the influence of alcoholic beverages is not condoned and may be subject to review and/or action by the appropriate judicial body. The Board directs each campus to develop alcohol awareness and use policy which shall be made available to its new and continuing students each fall. (University of Arkansas Student Handbook - Appendix D. University of Arkansas Board of Trustees Policy 705.2).

University of Arkansas Drug Policy

Possession, use, or manufacture of illicit drugs is strictly prohibited at the University of Arkansas. Students enrolled in the University of Arkansas are subject to disciplinary action for violation of federal or state law regarding the possession, purchase, manufacture, use, sale, or distribution (by either sale or gift) of any quantity of any prescription drug or controlled substance, except for the use of any over-the-counter medication or for the prescribed use of medication in accordance with the instructions of a licensed physician. Possession of paraphernalia associated with the use, possession, or manufacture of a prescription drug or controlled substance is also prohibited.

Drug Free Workplace Policy

Drug abuse and use at the workplace are subjects of immediate concern in our society. These problems are extremely complex and ones for which there are no easy solutions. From a safety perspective, the users of drugs may impair the well-being of all employees, the public at large, and result in damage to state property. Therefore, it is the policy of the State of Arkansas that the unlawful manufacture, distribution, dispensation, possession, or use of a controlled substance in a state agency's or institution's workplace is prohibited. Any employees violating this policy will be subject to discipline up to and including termination. (Staff Handbook - Section 3.8. Governor's Executive Order 89-2).

Enforcement of Federal and State Alcohol and Drug Laws

UAPD enforces all state and local liquor laws, including those for underage drinkers. UAPD enforces all state and local laws regarding prescription drugs and controlled substances. UAPD will work with federal agencies when needed to enforce any applicable federal laws.

Drug and Alcohol Abuse Education Programs

Several programs are available to members of the University community on the topic of drug and alcohol abuse. Programs can be arranged through the UAPD Crime Prevention Unit and through the University Health Center's Substance Abuse Prevention Program (SAPP), which includes peer education. Information may also be obtained through the National Clearinghouse for Alcohol and Drug Information at 1-800-729-6686.

University of Arkansas Sexual Harassment Policy

It is the policy of the University of Arkansas to prohibit sexual harassment of its students, faculty, and staff and to make every effort to eliminate sexual harassment in the University. The University policy prohibits sexual harassment between or among students, faculty, staff, and others visiting or conducting official business on campus, and in all areas of the University's work and educational environments. Those who engage in sexual harassment may be subject to legal consequences, including civil and criminal penalties and monetary damages. (University of Arkansas Student Handbook - Appendix B. Staff Handbook - Section 3.6. Faculty Handbook - Section 5).

The Office of Affirmative Action serves as the campus complaint office and ensures that employees and students are provided the right to due process in all cases of alleged sexual harassment. The office is located at 4 West Avenue Annex Building. Email should be addressed to dlw11@uark.edu and the telephone number is 479-575-4019. The Office of Affirmative Action maintains a web site at <http://www.uark.edu/depts/ofaa>.

University of Arkansas Sexual Assault Policy

It is the policy of the University of Arkansas to prohibit sexual assault and to prevent sex offenses committed against students, employees, visitors to the campus, and other persons who use University facilities.

Sexual assault is an extreme form of sexual harassment. Sexual harassment is prohibited by University policy and is a form of sex discrimination prohibited by Title VII of the Civil Rights Act of 1964 and by Title IX of the Education Amendments of 1972. Sexual assault is also a crime, defined by the Arkansas Criminal Code. (University of Arkansas Student Handbook - Appendix C. Staff Handbook - Section 3.7. Faculty Handbook - Section 5).

Programs to Prevent Sexual Harassment and Sexual Assault

Several programs and resources are available to members of the University community on the topics of sexual harassment and sexual assault. Programs can be arranged through the UAPD Crime Prevention Unit, Northwest Arkansas Rape Crisis and the University Health Center.

Procedure to Follow if Sexual Harassment or Sexual Assault Occurs

Whom to Contact: If someone is the victim of sexual harassment or sexual assault the quickest possible way to report it is to contact UAPD. If the incident occurred off campus, UAPD will assist the victim in notifying the proper law enforcement agency.

A victim may report the incident directly to STAR Central - Office on Sexual Assault and Relationship Violence at the University Health Center, Northwest Arkansas Rape Crisis (NWARC), university officials such as their Resident Assistant (RA), Hall Manager, Academic Advisor, the Judicial Coordinator, the Dean of Students, or the Office of Human Resources or Office of Affirmative Action to name a few. A victim of sexual assault may go directly to a hospital and decide there what other agencies or resources to contact.

Preservation of Evidence: It is important that a victim of sexual assault does not shower, douche, brush their teeth, or use the restroom, and that they do not wash their clothes or any bedding on which a criminal act occurred. If they do so, important evidence can be lost. That is why it is also important that UAPD be contacted as soon as possible, so that evidence may be collected before it is lost or destroyed.

Assistance in Contacting Law Enforcement: Even if the victim reports the incident to an agency that is not law enforcement, they can still report the incident, even at a later time, to UAPD or another law enforcement agency that has jurisdiction if the incident took place off campus. Any official on campus will be glad to assist a victim in contacting the proper law enforcement agency. This also applies to off campus agencies like Northwest Arkansas Rape Crisis and Washington Regional Medical Center.

Notification of Counseling and Assistance: Counseling for victims of sexual harassment or sexual assault can be found through the University Health Center's Counseling and Psychological Services (CAPS), the university's Psychological Clinic and through off-campus psychological services provided by local psychologists. Northwest Arkansas Rape Crisis can direct victims to available services. Any victim who reports an incident to an on campus official will be advised of counseling services. UAPD will, if the victim desires, contact Northwest Arkansas Rape Crisis. They provide advocacy and support services free of charge. Information is also available through the Commission on Child Abuse, Rape, and Domestic Violence at 501-661-7975.

Campus Disciplinary Procedure: If the victim of sexual harassment or sexual assault so desires, and all parties involved are members of the University community, the incident can be referred to the University Judicial System to be adjudicated by one of its boards. To do this, the victim needs to request that the case be sent to Judicial Affairs. These proceedings are totally separate from any criminal action that may be taken. Both the victim and the accused have the option of having others present during judicial hearings. These individuals are there in a support capacity only and may not represent the victim or accused. Both the victim and the accused will be notified of the outcome of any judicial hearing.

In some instances, it may be appropriate for University faculty and staff members to use the University's formal grievance procedures to address grievances related to allegations of sexual harassment or sexual assault. The faculty grievance procedure is described in the University Faculty Handbook. The staff grievance procedure is described in the University Staff Handbook.

Campus Disciplinary Sanctions: Sanctions imposed through the University Judicial System can range from no action up to expulsion from school.

Change of Victim’s Academic and Living Situations: Upon request, University Housing and Dining Services and the University Telephone Office will make reasonable changes in a victim’s on-campus room assignment and telephone number as long as other rooms and numbers are available. Class schedules can be changed through the Registrar’s Office if necessary.

Campus Sex Crimes Prevention Act

Section 170101 of the Violent Crime Control and Law Enforcement Act of 1994 (42 U.S.C. 14071), as amended by the Campus Sex Crimes Prevention Act, requires any person who is required to register in a State to provide notice to each institution of higher education in that State at which the person is employed, carries on a vocation, or is a student.

The Clery Act, as amended by the Campus Sex Crime Prevention Act, requires an educational institution to state the location of where information concerning registered sex offenders is maintained. A list of current sex offenders associated with the University of Arkansas main campus in Fayetteville, Arkansas, is developed and maintained in the University of Arkansas Police Department in the Administrative Services Building at 155 South Razorback Road, Fayetteville, Arkansas. In accordance with Arkansas law, relevant and necessary information will be disclosed when the information is necessary for public protection. Inquiries regarding registered sex offenders may be directed to the Public Information Officer, the Crime Prevention Officer or the Investigations Division Supervisor. (University of Arkansas Student Handbook - Appendix L. Staff Handbook - Section 3.13).

Policy for Preparing the Annual Disclosure of Crime Statistics

The Clery Report is compiled by University of Arkansas Police Department. Crime and arrest statistics for the report are compiled from police reports from the files of the University of Arkansas Police Department, Fayetteville Police Department, Washington County Sheriff’s Office and law enforcement agencies in areas where agricultural substations are located. Judicial referral statistics are provided by the University of Arkansas Office of Community Standards and Student Ethics. We cast a wide net for input from other campus officials. Inquiries are made to the top university administrators (chancellor and vice chancellors), all deans, directors and department heads requesting information if a crime was reported to anyone in their area and not reported to the police. Statistics are compiled from their replies. The areas contacted are listed on the next three pages.

Policy for Preparing the Annual Fire Safety Report

The Fire Safety Report is compiled by University of Arkansas Police Department. Information is gathered from UAPD files, from University Housing, Greek Life and the University Facilities Management Fire Marshal.
