Biographies:

Johann Sebastian Bach was a German composer, organist, harpsichordist, violist, and violinist of the Baroque period. Bach's compositions include *The Well-Tempered Clavier*, chorales, partitas, cantatas, and organ works. He is now generally regarded as one of the main composers of the Baroque period and as one of the greatest composers of all time.

Gabriel Urbain Fauré was a French composer, organist, pianist and teacher. He attended school in Paris, France and is noted for his work with piano. Fauré's music has been described as linking the end of Romanticism with the modernism of the second quarter of the 20th century.

Antonio Lucio Vivaldi was an Italian Baroque composer, Catholic priest, and virtuoso violinist. Many of his compositions were written for the female music ensemble of the home for abandoned children where Vivaldi was employed. Today, Vivaldi ranks among the most popular and widely recorded of Baroque composers.
