Hey!

Hi Sammy. This is your, Kathy—hehehehahaha. I almost lied, and I almost said something else. I just wanna let you know that we're running to Barnes and Noble and ain't probably gonna be back for another thirty minutes. So if you get home and no one's there, that's why. Alright, that's all.

See you soon,

xoxo xoxo

I'm sorry I missed your call.

I got so far, and it just wouldn't get any further. Nathaniel told me this was the easiest thing when he did it. It's the most complicated thing I've ever done. Maybe because of my device not working. But anyway I'm going to start all over, so I'll just call you in a few hours.

Bye, bye,

Love you.

Hey Davis,

This is Ms. Katherine again. Chuck just texted me before I could even talk to you and said he got it covered. Call Chuck and make sure that he'll either talk to you or whoever he got comin' in at twelve. I don't want both of y'all to show up at the same time. It might be you that he done talked to, I dunno. But, um, call him and see, before—when I got off the phone with you, I had a text and Chuck said that he got it covered,

So.
