

TABLE OF CONTENTS

Business meeting report (Secretary’s and Treasurer’s Report)	5
Acknowledgment of the major sponsors of the Academy:	15
Arkansas Natural Heritage Commission	
Ouachita National Forest	
A Tribute to Dr. Joyce Hardin	16
Keynote Speaker and Meeting Program	17
In Memoria	23
FEATURE ARTICLES	
A.A. BHUIYAN, AND S. KUDO: Synthesis, Characterization, and Properties of Homometallic Dinuclear Ruthenium Complex Containing Chloro-Phenanthroline and Bipyridine	25
D.C. BRAGG: Modeling Loblolly Pine Aboveground Live Biomass in a Mature Pine-Hardwood Stand: A Cautionary Tale	31
S.S. CHIAD, W.A. JABBAR, AND N.F. HABUBI: Effects of Annealing on the Electronic Transitions of ZnS Thin Films	39
F.D. HARDCASTLE: Raman Spectroscopy of Titania (TiO ₂) Nanotubular Water-Splitting Catalysts	43
C. HASTINGS, R.C. WEIH JR., H.O. LIECHTY, AND R. HARRIS: Accuracy and User Variation Associated with Slope Measurement Using a Laser Hypsometer	49
M. HEMMATI, W.P. CHILDS, D.C. WATERS, J.D. COUNTS, AND J.K. SCHMITT: Boundary Condition on Electron Temperature for Antiforce Current Bearing Waves	54
R.S. PFAU, D.B. SASSE, M.B. CONNIOR, AND I.F. GUENTHER: Occurrence of <i>Blarina brevicauda</i> in Arkansas and Notes on the Distribution of <i>Blarina carolinensis</i> and <i>Cryptotis parva</i>	61
N. RAMESH, M. HAWRON, C. MARTIN, AND A. BACHRI: Flux Variation of Cosmic Muons	67
D.J. RICHARDSON, K.R. RICHARDSON, K.E. RICHARDSON, J. GROSS, P. TSEKENG, B. DONDJII, AND S. FOULEFACK: Malaria, Intestinal Parasitic Infection, Anemia, and Malnourishment in Rural Cameroonian Villages with an Assessment of Early Interventions	72
H.W. ROBISON AND C.T. McALLISTER: Geographic Distribution and Life History Aspects of the Freshwater Shrimps, <i>Macrobrachium ohione</i> and <i>Palaemonetes kadiakensis</i> (Decapoda: Palaemonidae), in Arkansas	98
H.W. ROBISON, C.T. McALLISTER, AND K.E. SHIRLEY: The Fishes of Crooked Creek (White River Drainage) in Northcentral Arkansas, with New Records and a List of Species.	111
J.A. SAWYER AND S.E. TRAUTH: Seasonal Activity, Population Characteristics, and Age Estimation in the Aquatic Salamander, <i>Siren intermedia nettingi</i> (Goin)	117
D.J. THOMAS, M. BOYD, K.M. CROWELL, A.E. CURTWRIGHT, M.N. FOLL, M.M. KUEHL, V.M. MCQUEEN, C.R. MIDDAGH, V.M. MOORE, M. MORENO, C. MORGAN, M. POWERS, G. ROBINSON, M.D. SCHRAM, K. WARD, AND H.C. ONG: A Biological Inventory of Meacham Cave (Independence County, Arkansas)	126
S.E. TRAUTH: Rapid Reservoir Inundation Causes Complete Extirpation of the Eastern Collared Lizard (<i>Crotaphytus collaris</i>) Along the Shoreline of Bull Shoals Lake in Northern Arkansas	133
B.K. WAGNER, M.D. KOTTMYER, AND M.E. SLAY: Summary of Previous and New Records of the Arkansas Darter (<i>Etheostoma cragini</i>) in Arkansas	138
N.J. WENTZ, N.D. HENDERSON, AND A.D. CHRISTIAN: Assessment and Characterization of Physical Habitat, Water Quality, and Biotic Assemblages of the Tyronza River, Arkansas	143
GENERAL NOTES	
S.W. CHORDAS III, R. TUMLISON, H.W. ROBISON AND J. KREMERS: Twenty Three True Bug State Records for Arkansas, with Two for Ohio, U.S.A.	153
M.B. CONNIOR, R. TUMLISON AND H.W. ROBISON: New Records and Notes on the Natural History of Vertebrates from Arkansas	160
D.M. GENERAL AND L.C. THOMPSON: New Distributional Records Of Ants In Arkansas For 2009 And 2010 With Comments On Previous Records	166
R. KANNAN AND D.A. JAMES: Foraging Behavior of Three Sympatric and Congeneric Tyrannid Flycatchers (<i>Tyrannus</i> Spp.) in Western Arkansas	169
A. LONG AND A. LOCHER: The Efficacy of Thermal Imaging Technology for Documenting American Woodcock on Pine Stands	173
C.T. McALLISTER, H.W. ROBISON, R.S. SEVILLE, Z.P. ROEHRS AND S.E. TRAUTH: <i>Caryospora duszynskii</i> (Apicomplexa: Eimeriidae) from the Speckled Kingsnake, <i>Lampropeltis holbrooki</i> (Reptilia: Ophidia), in Arkansas, with a Summary of Previous Reports	176
D.B. SASSE, D.A. SAUGEY, AND R.W. PERRY: Distribution, Conservation and Current Status of the Little Brown Bat (<i>Myotis lucifugus</i>) in Arkansas	180
R. TUMLISON AND K. BENJAMIN: Occurrence of Two Rare Prairie Insects, <i>Tetraloniella albata</i> (Cresson) and <i>Microstylum morosum</i> (Loew), at Terre Noire Natural Area, Clark County, Arkansas	183
Journal Acknowledgments	187
Instructions to Authors	188
