Do You Like the Cello You are Hearing?

Master luthier, JULIANO NA, producing quality string instruments for 40 years, presents two of the most recent cellos from his collection, played today by Artist Eugene Osadchy and Dominic Na. This Stradivari model captures the essence of the great Italian master and gives the warmth and brilliance with excellent response and balance.

Juliano's cellos are deeply resonant and truly sing in all registers. Performers of all levels will enjoy their clear, powerful, and even tone.

For fine violins and cellos and expert restorations, contact stringandbowmusic@gmail.com
