## *Secretary's Report*

### MINUTES OF THE 85TH MEETING

*FIRST BUSINESS MEETING*  
*UALR ETAS BUILDING ROOM 233*  
*APRIL 5, 2002*

1. Call to Order: Dr. Walt Godwin, President-Elect of the AAS, called the meeting to order at 11:10 am. Dr. Godwin, presided at meeting in place of Dr. John Rickett, President of the AAS, who missed the meeting due to health reasons. Dr. Goodwin provided an update on Dr. Rickett's health status.
2. Historian's Report: Henry Robinson reported that this is the 86<sup>th</sup> meeting of the Academy and the sixth time that the meeting has been held at the UALR campus. Previous meetings at UALR (or the same campus with previous names) were held in 1946, 1966, 1976, 1981, and 1987.
3. Local Arrangement Chair: On behalf of UALR, Steve Lindsey welcomed the members to the UALR campus. Steve recognized the hard work of the UALR faculty, staff, and students in preparing for the meeting.
4. Approval of Minutes: Minutes of last year's business sessions at the Univ. of Central Arkansas were distributed and will be approved by vote at the second business meeting.
5. Treasurer's Report: Joyce Hardin handed out copies of the 2001 AAS financial statement to the membership. The report indicated that the Academy had a net \$950.31 budget loss for 2001, although this loss will likely be reduced to around \$400 when all the *Journal* page charges are collected. The loss was attributed to a slight reduction in membership dues collected and a lack of profit from the 2001 annual meeting. Joyce provided details concerning the income and expenses for the year as well as information regarding journal costs. Bob Wiley was appointed Chairman of the Auditing Committee.

Stan mentioned that he is considering some minor editorial changes to update the style of the *Journal*. He reminded the membership to begin thinking about the next Editor-in-Chief, to replace himself in two years.

## Secretary's Report

- Journal Managing Editor's Report: David Saugey reported that the review process for Vol. 55 went smoother and more timely than usual. He recognized the help of the 56 individuals, representing two countries (US and UK), nine states, 22 universities, seven agencies, and two organizations served as reviewers for Vol. 55. David mentioned the continuing problem that some authors do not submit manuscripts in the correct format. In the future manuscripts submitted in the proper format may be returned without review. David requested \$300 for Managing Editor expenses for Vol. 56. The motion, which was made and seconded at the first business session, was approved.
8. *Newsletter* Editor: Jeff Robertson was not present, but Dr. Godwin reported that Jeff had reported at the first business meeting and had requested a small amount of money to cover expenses for next year's newsletter. A motion to provide these funds was seconded and approved.
  9. Arkansas Science Fair Association: Dr. Godwin read a report from Mike Rapp who was not present since the state science fair was held in Conway on the same dates as the Academy meeting. Seven regional science fairs were held in March. A request for \$400.20 was made to help cover some of the expenses for sending students and teachers to the International Science and Engineering Fair. A motion for the Academy to provide these funds was seconded and approved.
  10. Junior Academy of Science: no report
  11. Intel Talent Search: no report
  12. Committee Reports:
    - a. Biota Committee: no report
    - b. Constitution Committee: no report
    - c. Development Committee: David Saugey reported that he had compiled a notebook with potential companies and agencies that might be willing to provide support for the Academy. Over the course of the next year the committee will contact some of these sources. David requested that the Academy provide \$250 for purchasing stationary and for mailing costs. A motion was seconded and approved.
    - d. Nominations Committee: On behalf of the nominations committee, Dr. Scott Kirkconnell nominated Jeff Robertson for the office of Secretary. A motion to close nominations was seconded and Dr. Robertson was elected by acclamation. Dr. Kirkconnell nominated three individual for the office of Vice-President; Wil Braithwaite, Phoebe Harp, and Betty Crump. There were no additional nominations from the floor. A motion to cease nominations was seconded and approved. Ballots were distributed and the ballots were counted.
  - e. Science Education Committee: Dr. Hemmati reported that this committee had met on the previous day and several potential ideas for promoting science education were discussed. The committee will be developing these ideas over the coming year.
  13. Old Business: AAS Young Investigators Award Committee - Wayne Gray presented a proposal for the Academy to establish a Young Investigator award to recognize promising young scientists in Arkansas. Guidelines for the award were discussed. After some discussion it was decided that the committee should consider further the details of the proposal.
  14. Local Arrangement Chair: Steve Lindsey provided a recap of the meeting. The total registered attendance for the meeting was 209, including 95 students. Attendance at the banquet was 109. A total of 125 abstracts were presented including 21 poster presentations. Over 80% of the oral presentations utilized PowerPoint computer generated slides. Steve recognized the hard work of the UALR faculty, staff, and students in preparing for and conducting the meeting.

## RESOLUTIONS

BE IT RESOLVED that we, the membership of the Arkansas Academy of Science, offer our sincere thanks to the University of Arkansas at Little Rock for hosting the 86<sup>th</sup> meeting of the Arkansas Academy of Science. In particular, we thank the local arrangements committee: Steve Leslie (Chair), Steve Grace, David Lindquist, Tom McMillan, Wil Braithwaite, Roger Hawk, and all of the student workers and staff who collectively contributed to a successful meeting. Appreciation is expressed for the use of the excellent facilities and the hospitality shown to us by all University of Arkansas at Little Rock personnel. The banquet was excellent, and we especially thank Dr. Alan Pounds for a stimulating presentation on "Global Warming and the Future of Biodiversity: Lessons From a Tropical Cloud Forest."

The Academy recognizes the important role played by session chairs and expresses sincere appreciation to Wayne

### Secretary's Report

---

Gray, Wendi Williams, Brian Wagner, David Lindquist, Fred Hickling, Abhijit Bhattacharyya, George Harp, Richard Spears, David Saugey, Don Bragg, and Roger Hawk. A special thanks is owed those individuals who devoted considerable time and energy to judge student papers: Al Adams, Wil Braithwaite, Betty Crump, Wayne Gray, Joe Guenter, Phoebe Harp, Bob Watson, and Bob Wiley.

The Academy appreciates the University of Arkansas at Little Rock for sponsoring the social, the Arkansas Environmental Federation for donating to undergraduate student awards and Sigma Xi for graduate student awards.

We express gratitude to the various directors of the science and youth activities which are supported or supervised by the Academy: Mostafa Hemmati, Chair of the Science Education Committee; Mike Rapp, Director of the Arkansas State Science Fair Association; Tom Palko, Director of the Junior Science & Humanities Symposium; Jim Murray, Director of the Intel Science Talent Search; and Rick Geraci and Mark Eakin, Co-Directors of the Junior Academy of Science. We wish to thank all those who served as directors at the regional science fairs and Junior Academy meetings: Kathryn Shinn, Beverly Meinzer, Marty Huss, Lynne Hehr, Darin Buscher, Dennis Miller, Jim Edson, Shane Willbanks, and Mike Rapp.

The continued success of the Academy is due to its strong leadership. We offer sincere thanks to our officers for another excellent year: John Rickett (President), Walt

Godwin (President-Elect), Wayne Gray (Vice-President), Mark Draganjac (Past-President), Mike Soulsby (Secretary), Joyce Hardin (Treasurer), Stan Trauth (*Journal* Editor-in-Chief), David Saugey (*Journal* Managing Editor), Jeff Robertson (*Newsletter* Editor), and Henry Robison (Historian). In addition, the Academy expresses appreciation to all who contributed time and effort on various committees of the Academy.

We congratulate all who presented papers and posters at this meeting. Student participants are especially recognized since their efforts contribute directly to the future success of the Academy and the improvement and advancement of science in Arkansas.

Finally, the membership wishes to especially recognize President John Rickett. Over the years, John has had many significant roles in the Academy - Newsletter Editor, Secretary, Vice President, President, and numerous committees. In addition to formal roles, John has been the ultimate source of information regarding everyone and everything about the Academy. For his many years of dedicated service, both to the Academy and to the profession, the membership expresses its heartfelt concern and regret that John could not be here to participate in our 86<sup>th</sup> meeting.

Respectfully submitted this 6th day of April, 2002,

Mike Plummer, Chair
