MINUTES OF THE SEVENTY-THIRD ANNUAL MEETING - APRIL 1990

FIRST BUSINESS MEETING

President Spears called the meeting to order at 1245.

- Spears called Historian, Henry Robison, to give a history of Academy of meetings on the ASU campus. The Academy met here in 1952, 1967, 1973, 1980 and 1990.
- Spears called on the Secretary (Rickett) who presented the minutes from the 1989 Annual Meeting and asked for corrections or additions. Motion (Rickett, 2nd Rapp): To approve and accept the minutes as distributed contingent on receipt of corrections or additions. Secretary also called for corrections for his membership records. Secretary also asked any motions to be submitted in writing.
- Spears called on the Treasurer (Wiley) who presented the financial report with some explanation. The current financial status of the Academy is judged best ever. Wiley asked authors to pay page charges as soon as possible. Discussion arose re: page charges not collected. The membership takes this opportunity to especially thank Dr. Larry Boucher, the Local Chairman and his local arrangements committee for the many hours they have worked on behalf of the membership to make this meeting such a success. The membership would like to draw attention to the meeting program in order to identify and thank the section chairpersons and individual presenters for an outstanding job.

Thanks are also extended to Richard K. Spears, president; Robert L. Watson, president-elect; David Chittenden, immediate past president; the remaining officers and other members of the Executive Committee and other committees to the Academy whose cooperative efforts were so apparent during the meeting.

Finally we thank Dr. Bassam Shakhshiri for his enlightening address and the Reng Center for providing an excellent dinner.
