**TABLE OF CONTENTS**

### FEATURE ARTICLES

- **DENNIS A. BAKEYNS and SALIM R. HURLEY:** The Effects of Low pH on Lactate Dehydrogenase Kinetics of Diving and Nondiving Reptiles .................................................. 13
- **JUDITH A. BEAN, MAURICE G. KLEVE, and THOMAS J. LYNCH:** The Isolation of Nuclei from *Physarum flvacum:* Demonstration of a Nuclear Cyclic AMP Phosphodiesterase .......... 17
- **C. K. CHILDS, M. W. HINSON, D. H. SIFFORD, and B. D. JOHNSON:** Concanavalin A-Nonbinding Enzymes of *Crotalus scutulatus scutulatus* venom ............................................. 20
- **D. M. CHITTENDEN II:** Anomalous Concentrations of 44Co and 137Cs in Dardanelle Reservoir .............. 22
- **STANLEY N. DAVID and CLARENE L. DAVID:** Plasma Corticosterone Levels in Cholesterol-fed Cockerels Before and After a Twenty Minute Run ............................................. 24
- **PEGGY RAE DORRIS:** Special Adaptations of Orb Weavers and Prey .............................................. 26
- **C. EPPERSON, S. MEINERS, and D. SWINDELE:** Penetrating Ionizing Radiation Levels Observed in the Lower Arkansas and White River Valleys of Arkansas ............................................. 30
- **DOUGLAS A. JAMES, KATHY S. WILLIAMS, and KIMBERLY G. SMITH:** Survey of 1985 Periodical Cicada (Hemiptera: *Magicicada*) Emergence Sites in Washington County, Arkansas, With Reference to Ecological Implications .................................................. 37
- **Rex R. ROBERG, THONIOT T. PRABHAKARAN, and RAJ V. KILAMBI:** Age and Growth of Redear Sunfish *Lepomis microlophus* (Gunnthur), from Bob Kidd Lake ............................................. 40
- **RICHARD A. KLUENDER and JIMMIE L. YEISER:** Relationship Between Diameter Breast High and Diameter Near Ground Line for Hardwood Species in Arkansas .......................... 42
- **FRANK MERWEATHER:** Tagging and Marking Crawfish (*Procambarus clarkii*) in a Population Estimation Study ................................................................. 45
- **DERWOOD C. MAYO and P. L. RAINES:** Woody Vegetation of the Crystal Mountains Region ................. 48
- **V. DIANE RANDALL and J. D. BRAGG:** Effects of Juguone (5′-Hydroxy-1,4-Naphthoquinone) on the Algae *Anabaena flos-aquae, Nostoc commune and Scenedesmus acuminatus* .................................................. 52
- **STEPHEN A. SEWELL and LUTHER A. KNIGHT, JR.:** Continued DDT Persistence in Mississippi River Delta Streams: A Case Study .................................................. 56
- **ALI U. SHAIKH, TAPPY A. DIXON, LOUISE A. BATTLES, and FRANK L. SETLIFF:** Electrochemistry of Dihalogenated Nicotinic Acids in Aqueous and Aprotic Media ............................................. 59
- **COLLIE B. SHAW, TARA L. CHRONISTER, and JOHN D. PECK:** Optimal Conditions for Kinetic Study of Succinate Dehydrogenase in Rat Liver .................................................. 62
- **PHILLIP R. SHELBY:** Depositional History of the St. Joe and Boone Formations in Northern Arkansas .... 67
- **T. W. STEWARD, V. RICK McDaniel, D. A. SAUGEY, and DAN R. ENGLAND:** The Bat Fauna of Southwest Arkansas .................................................. 72
- **ERIC SUNDELL:** University of Arkansas at Monticello’s 1985 Summer Science Institute: A Report and an Opinion .................................................. 74
- **RENN TUMLISON, ANTHONY W. KING, and V. RICK McDaniel:** The River Otter in Arkansas. IV. Winter Food Habits in Eastern Arkansas .................................................. 76
- **RENN TUMLISON and V. RICK McDaniel:** Harvest Trends of the Bobcat (*Lepus rufus*) in Arkansas .... 78
- **DOUGLAS A. WINTER, WOCJIECH M. ZAWADA, and ARTHUR A. JOHNSON:** Comparison of the Symbiotic Fauna of the Family Plethodontidae in the Ouachita Mountains of Western Arkansas .......... 82

### GENERAL NOTES

- **PEGGY RAE DORRIS:** Spiders Collected in Southeast Arkansas Using Pitfall Traps Placed in Pine-Hardwood Forests That Received Various Forestry Treatments — A Preliminary List .................................................. 86
- **MICHAEL J. HARVEY and V. RICK McDaniel:** Population Decline of the Endangered Indiana Bat, *Myotis sodalis,* in Arkansas .................................................. 87
- **RAJ V. KILAMBI and MARVIN L. GALWAY:** Usefulness of Microfiche Reader/Printer for Studying Fish Scales .................................................. 89
- **RICHARD A. KLUENDER and E. WESLEY McCOY:** A Forest Data Base for Arkansas .................................................. 90
- **RICHARD S. MITCHELL:** An Introductory Chemistry Course .................................................. 91
- **JAMES H. PECK, GARY A. HEIDT, and ANITA J. GIGGLEMAN:** Interspecific Correlations of Harvest and Price for Arkansas Furbearers: A Cautionary Note .................................................. 92
- **JAMES H. PECK:** *Dryopteris carthusiana* at Mt. Magazine, Logan Co., Arkansas .......................... 94
- **KENNETH LEE SMITH:** A Survey of the Interior Least Tern on the Arkansas and White Rivers in Arkansas .................................................. 94
- **T. W. STEWARD, V. RICK McDaniel, and DAN R. ENGLAND:** Additional Records of Distribution and Hosts for the Bat Bug, *Cimex pilosellus* in Arkansas .................................................. 95
- **LES TORRANS, FRAN LOWELL, and HOWARD CLEMENS:** Evaluation of a Fin Ray Scarring Technique for Individually Marking Fish .................................................. 96
- **LES TORRANS and FRAN LOWELL:** Effect of Stunting on the Growth of Blue Tilapia (*Tilapia aurea, Cichlidae*) .................................................. 98
