MINUTES OF THE BUSINESS MEETING, 10 APRIL 1976

The business meeting of the Arkansas Collegiate Academy of Science was called to order by the presiding president, Patricia Alexander. The minutes of the last meeting were approved as read. The financial report was submitted by Curtis Shankle. The Collegiate Academy's account contained \$172.11 which was to be refunded to the Senior Academy. Dr. Bridgman suggested that \$175.00 be requested from the Senior Academy. It was so moved and passed.

The following officers were elected for 1976-77.

President	- Phillip Goad, Harding College
President-Elect	- William Casson, UAM
Secretary	- Susan Brady, Harding College
Treasurer	- Jim Hall, Harding College
Sponsor	- Dr. Edmond W. Wilson, Harding College
Co-Sponsor	- Dr. Joe Guenter, UAM

The new president, Phillip Goad, took charge and a discussion of the experimental merger of the Collegiate Academy with the Senior Academy in regard to paper presentations followed. The general opinion was that, although it was not the intention of the Executive Council to eliminate the Collegiate Academy, a certain amount of identity loss occurred. A motion was made and carried that Dr. Wilson should bring this problem to the attention of the Senior

Academy in the General Business Meeting, and that Dr. Wilson should suggest that the President of the Collegiate Academy or his proxy attend the Executive Meeting of the Senior Academy. A motion was made and carried that schedules should continue to merge Academy and Collegiate Academy presentations.

Awards were made for the winning presentations at this meeting. In the Biological Science Section, the first place certificate was awarded to Ron Rosen. The second and third place certificates were awarded to Gary Graves and Julia Louann Taylor, respectively. In the Physical Science Section, the first place certificate was awarded to Laura Ballard. The second place certificate was awarded to Stephan Lachowsky. The meeting was adjourned by the new president.

Respectfully submitted,

Susan Brady
Secretary
